

UP WHERE  
WE BELONG

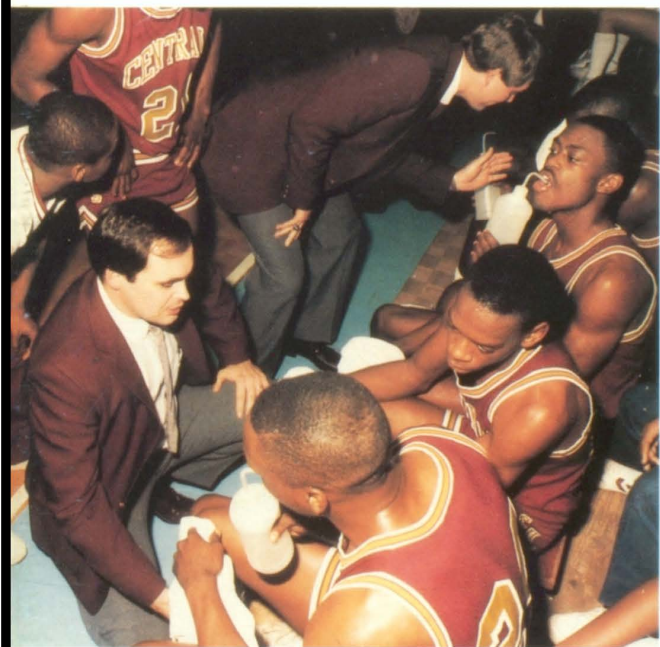

**LEONINE 1985**  
**Central High School**  
**Carrollton, Ga.**

After years of support, the dream of all Central Lions was realized on March 9, 1985 at Georgia Tech when our Varsity Boys' Basketball team became AA State Champions. The Lions are where they belong and . . .

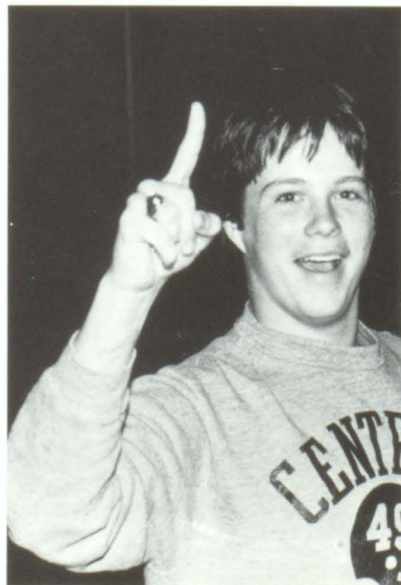

WE'RE

#1

Faces always tell so much — happiness ... pride ... excitement ... curiosity. No matter what the emotion, faces at Central were always ...

LOOKING  
GOOD

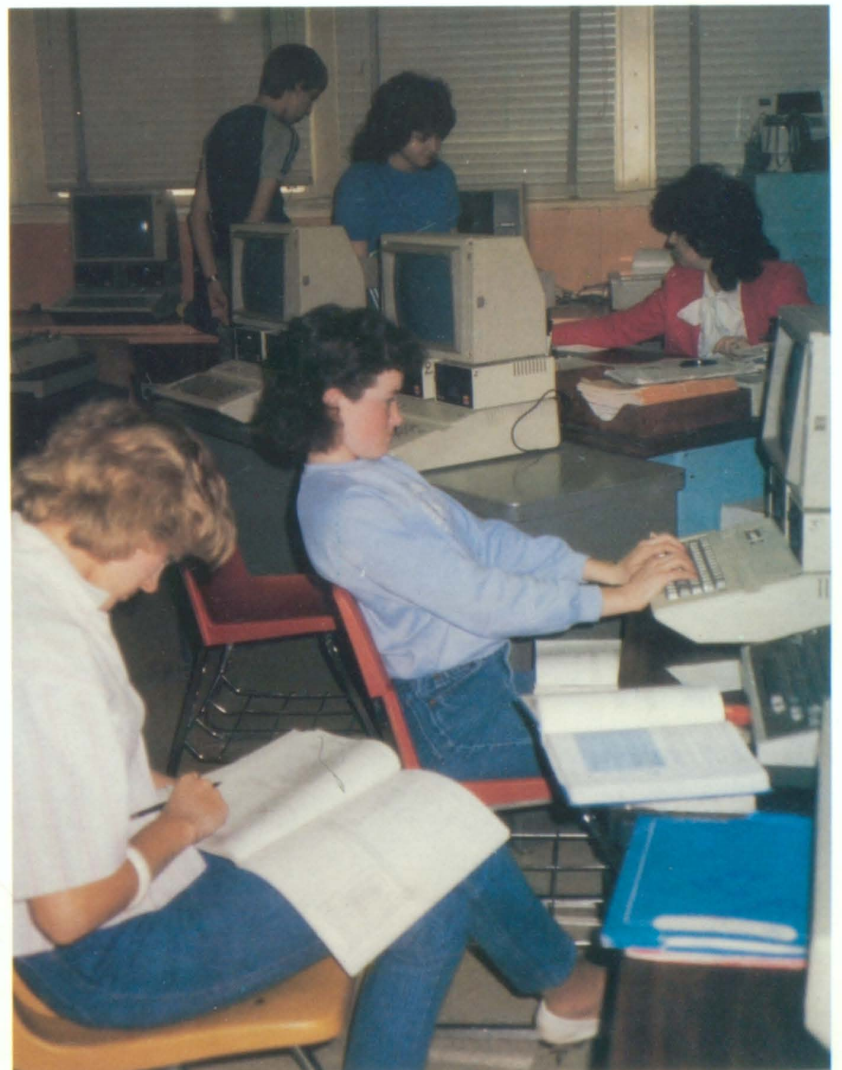

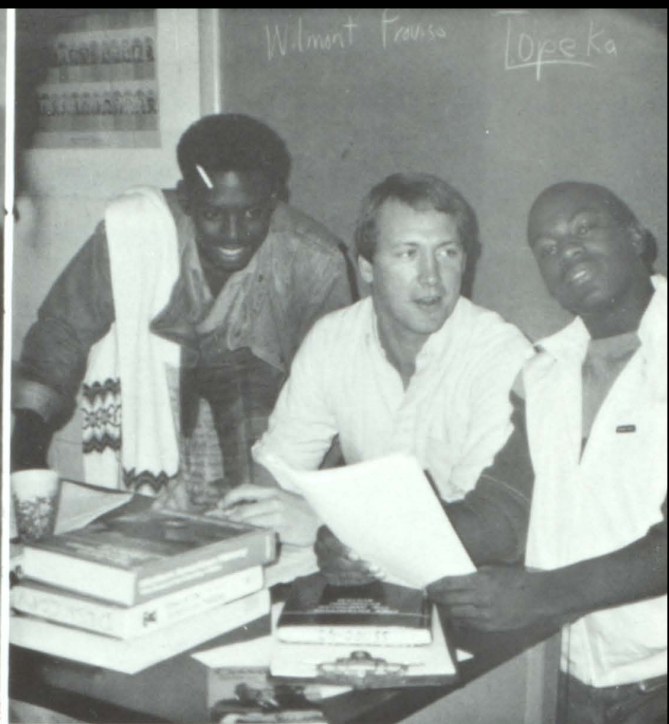

The five years you spend in high school is made up of so much — academics and athletics; fun and foolishness. Is it any wonder we think that Central is . . .

THE TO BE**

## BILL BAILEY COUNTY TEACHER OF THE YEAR

Being selected as Carroll County Teacher of the Year was an honor bestowed upon me that I will always cherish. This award is a great honor because of the number of great teachers from all over the County.

I would like to thank the faculty and administration of Central High School for making teaching at Central High such a pleasure. Each teacher at this school takes pride in making Central High a school of academic excellence. I would also like to thank the students at Central for being so cooperative and teachable. With the excellent faculty and student body at Central there is no wonder why we are number one!

I've always been told that if you associate with good people that good things will happen. They're so many good teachers and students at Central that 1984-85 has been an excellent year, not only in academics but athletics. I would like to say thanks to a group that will always be special to me — The Central High Coaching Staff.

Going to McDonald's® is almost as much a part of school as going to class. You've made us the place to meet, to talk, to have a good time, to celebrate your victories and help forget defeats.

You've made McDonald's more than just another place to eat. And that's why, at McDonald's, we say...
