Continued from organizational agenda....

- 1. CORRESPONDENCE** Mr. Moulton said the Board received a couple correspondences – One requesting a student be granted early graduation and another requesting a leave of absence.
- 2. PRESENTATIONS/DISCUSSIONS/ADMINISTRATIVE COMMENTS**
Mr. Ovitt said he and Brian Gereau had a few items to discuss. He reported that the lift for the bus garage was about to be installed when they realized that the concrete had a void in it and was not suitable for the lift to be installed. Mr. Ovitt said it needs a 5x10 concrete pad poured as soon as possible with the Board's permission. Ricky McFarlane said the existing concrete is being demolished on the 15th. The Board agreed to go ahead with the project. The second item was the catch basins at the Elementary School need to be replaced as three out of the four are bad. Brian said they were waiting on one quote but so far O'Connor has the lowest bid and can meet the timeline with the fastest turn-around. Brian said it was going to be done the 2nd or 3rd week in August. Mr. Ovitt said the third item was the quote for moving the network cables from the Queen Anne at a price of approximately \$44k and the asbestos removal both inside and outside looks to be over \$150k. Brian said he is getting a quote on the removal for just the outside since they have an idea on what the inside removal will cost. Brian also said the roof over the high school cafeteria is well over its useful life and needs to be addressed. He said it will be around \$150k to repair and should be looked at soon. Michelle Taylor reported that there is an RFP out for a new architectural firm and they could give us feedback. Brian said they would need to do a roof scan to determine if it needs a full repair or could be patched.
