In Memoriam

MARTHA COMPTON

Death is but a name, a date,
A milestone by the stormy road,
Where you may lay aside your load,
And bow your face and rest and wait,
Defying fear, defying fate.

B.H.S. Is the

Center of . . .

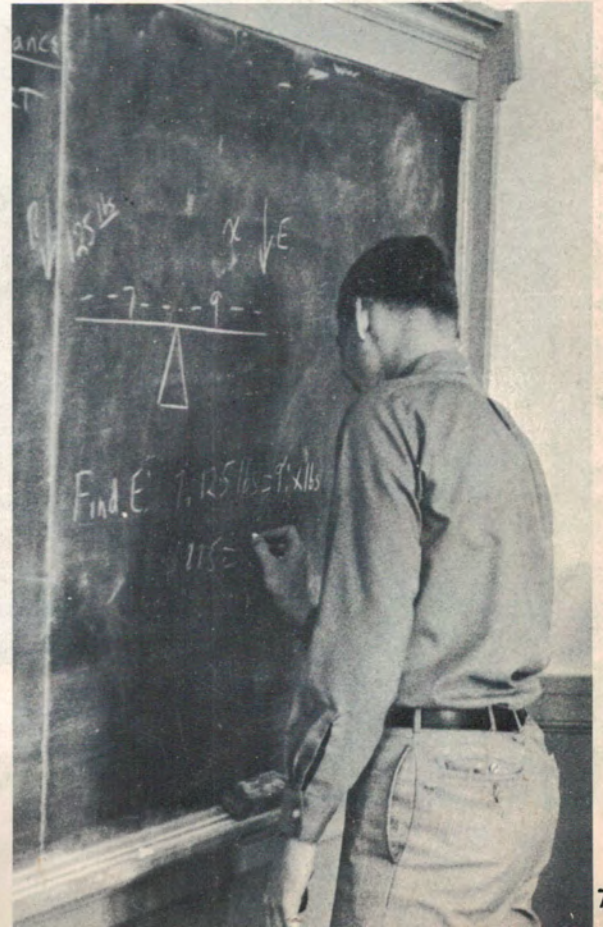

With the fading of summer into fall, we witness the abandoning of summer activities to once again enter the challenging doors of learning. The bewildered and somewhat frightened freshmen, the eager sophomores, the confident juniors, and the proud faces of the seniors flood the mighty halls of B.H.S.

The faces of Bunkie High School are many and varied, but they reflect you, the student body. B.H.S. becomes our center of learning, activities, spirit, and communications with others.

Mr. and Miss BHS and Favorites

Our 1968 Miss B. H. S. is Martha Knoll. Martha is a former F. F. A. Sweetheart and Miss Bunkie Maid. She has been elected as a cheerleader for four years, a favorite for three years, and was a member of the 1967 Homecoming Court. She has also been elected as the Most Thoughtful and the Cutest in the Who's Who elections. Martha's charm and vitality has made her a welcomed member in all groups.

Charles Gremillion was elected by popular vote as the 1968 Mr. B. H. S. Charles also proved himself to be a versatile athlete in his years at B. H. S. He is a two year football letterman, and was a member of the basketball and track teams for four years. Charles also has a remarkable scholastic side, being a Class Officer for four years, a Pelican State delegate, and winner of the 1968 Football Scholastic Award. He was also elected as the Best All Around boy in the 1968 Who's Who election. Charles' outstanding character has won him the respect of both students and faculty.

The BUNAVOLA STAFF would like to take this opportunity to express thanks to the many people who have made this yearbook possible. It is fitting that we first express our appreciation to the advertisers for their assistance. Also, the publication of this yearbook would not have been possible if it were not for the understanding teachers who were lenient and thoughtful to excuse students to work on the BUNAVOLA when a deadline was approaching or pictures were being taken. All in all, the completion of the BUNAVOLA was a result of the joint effort of friends, faculty, and staff members.

Martha Ortego, BUSINESS MANAGER

This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.
