 - 7:30-8:00 (breakfast)
 - 8:00 Instruction begins
 - 3:15-(End of Instructional Day)

FROM THE PRINCIPAL'S DESK

Greetings to All,

As we embark upon a new school year, I am excited to see all the returning and new faces that will grace our campus. Our students miss us, and we miss them. While we still face the challenge of a pandemic, we should keep in mind that we must keep safety at the forefront of our daily interactions. Temperature checks and the requirement of masks for all who enter Broadmoor are in place and will be closely monitored and imposed. Anyone who enters the building with a temperature of 100.4 degrees or higher must exit the building and return when they no longer show fever symptoms.

Our babies will return to us in just a few days, and we are excited to see them. This year, we are hopeful about the student/teacher interaction as rigorous instruction will occur in every classroom. Scholars must be in attendance daily to ensure they receive quality instruction and any support needed to succeed. Feel free to contact us with questions to gain a clear understanding and have a smooth transition into the new school year. Beginning in September, please check out our Facebook page and the district website for monthly updates.

We forged ahead through the uncertain last year and were successful. This year, we will make learning great again!

*Ms. Wiley,
Principal*
