INTRODUCTION

The Conecuh County Board of Education has adopted the following disciplinary and academic standards for students enrolled in Conecuh County Schools. The purpose of these standards is to maintain an overall positive school environment and atmosphere that enhances student and teacher morale and increases parental and public support for our schools. A uniform code of conduct for students is important to the pursuit of academic excellence so students may have meaningful learning experiences. Students' learning experiences are enhanced through a positive environment, free from disruptions and distractions.

This handbook for students includes selected policies of the Conecuh County Board of Education. A complete copy of the Board Policies is located in the principal's office of each school as well as the CCS website.

HOW TO RESOLVE AN ISSUE AT YOUR SCHOOL

It is the goal of each teacher, administrator, and support person in Conecuh County Schools to provide a safe and positive environment in which students can learn. Occasionally, situations arise that cause misunderstandings or miscommunications between the school and the parent or guardian. Please make every attempt to resolve the problem at the local school using the following procedures:

1. Talk with your child's teacher first. Teachers are responsible for students all day and may not leave class for a conference, so please call the school to make an appointment to see the teacher. Teachers may meet with parents during planning periods, before school, or after school.
2. If your issue cannot be resolved with the teacher, please call and schedule a conference with the principal. Principals are the administrators of the schools, and they make final decisions at the school.
3. If you believe you need to talk with someone else, you may call the central office and ask to speak with a supervisor who will make an attempt to resolve any issues. Please make good-faith attempts to resolve all problems at the school level first.

Principals, teachers, and support personnel are trained to make sure all children on Conecuh County Schools campuses are safe. Any threats or perceived threats to the safety and security of either school personnel or the children they serve will be considered serious and will be treated as such.

All visitors to Conecuh County Schools campuses must first sign in at the school office and receive a visitor's pass. No person may be on campus without the permission of the administrator. The principal of each school is authorized to develop additional rules and procedures consistent with Conecuh County Schools' policies that will provide for increased security and safety for students and that will promote a positive learning environment. Local school rules, regulations, and procedures are normally available at the beginning of the school year on the school's handbook and website. Conecuh County Schools Student Handbook is a system-wide publication and is intended as additional communication from the school to the home. Board policies may be revised any time during the school year. In the event the board revises and/or adds or changes any board policies, the updated policies will be in effect and will be posted on the CCS website.

PRIVACY AND PROPERTY RIGHTS

Federal and state laws provide people with reasonable expectations of privacy in addition to freedom from unreasonable search and seizure of property. This freedom is limited and must be balanced by the school's responsibility to protect the health, safety and welfare of all students. Students may maintain privacy of personal possessions unless appropriate school personnel have reasonable suspicion that a student possesses any object or material that is prohibited by law or Conecuh County Board of Education policy.

STUDENT GRIEVANCE PROCEDURE

Students will be assured the opportunity for an orderly presentation and review of grievances of the most immediate level of supervision from the teacher then to the school principal. In the event local school personnel are unable to resolve a student grievance, the student may then contact the Conecuh County Board of Education.

NONDISCRIMINATION POLICY

It is the official policy of the Conecuh County Commission on Education that no student be denied access to any educational programs or services because of race, sex, national origin, religion, creed, age, color, handicap, non-English speaking ability, immigrant or migrant status, homeless status, or disadvantaged condition; and provides equal access to the Boy Scouts and other designated groups. Anyone wishing to file a complaint or having any questions related to this policy may contact Conecuh County Board of Education, 1455 Ted Bates Road, Evergreen, AL 36401. Phone: 251-578-1752.

SPECIAL EDUCATION

To the maximum extent appropriate, children with disabilities ages three to twenty-one must be educated with children who are not disabled. The nature or severity of some disabilities is such that special education and related services are necessary. Students determined to have a disability and who are in need of specially designed instruction may be eligible for special education and related services in one or more of thirteen areas of disability. The Conecuh County Board of Education is committed to the provision of appropriate programs and services for children with disabilities in accordance with Alabama Administrative Code 290-8-9. For additional information, parents or guardians should contact their child's teacher, principal, counselor or Ms. Rita Young, Special Education Coordinator, Conecuh County Special Education Program, 1455 Ted Bates Road, Evergreen, AL 36401. Phone: 251-578-1752 ext. 4007.

CHILD FIND

The Conecuh County Special Education Program is seeking to locate children with disabilities ages 0-21 years of age who are within the Conecuh County School District. The system is also seeking to find students who are gifted and talented, emphasizing 2nd grade students. Parents should contact Ms. Rita Young, Special Education Coordinator at 1455 Ted Bates Road, Evergreen, Alabama 36401. Phone: 251-578-1752 ext. 4007

GIFTED EDUCATION

Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.

Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may make a student referral. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.

For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.

To make a referral, contact the teacher, principal, or counselor at your child's school.

PROGRAM ACCESSIBILITY

The Conecuh County Board of Education shall, in compliance with Section 504 Rules and Regulations, provide accessibility to services provided non-disabled individuals for qualified disabled persons.

FEDERAL PROGRAM - 504 COMPLIANCE

It is the official policy of the Conecuh County School System that no person shall, on the grounds of race, color, disability, sex, religion, national origins or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment. For additional information, parents or guardians should contact their child's teacher, principal, counselor or the 504 Coordinator, LeAnn Smith, Conecuh

PARENT- FAMILY ENGAGEMENT POLICY

The Conecuh County School System has a System-wide Parent and Family Plan that has been developed jointly with, agreed on with, and distributed to parents of children participating in Title I, Part A programs. The plan is reviewed and revised annually. The District Advisory Council meets each year to review the plan and determine if revisions are needed. The Conecuh County School System will make the plan available to parents upon request. The plan is also available for review on the system website.

The principal of each school is authorized to develop additional rules and regulations consistent with the policies, rules, and regulations of the Conecuh County Board of Education which may be necessary to govern the conduct of students under his/her supervision.

If a person is found to have violated a local board of education policy concerning drugs, alcohol, weapons, physical harm to a person or threatened physical harm to a person, the person may not be readmitted to the public schools until criminal charges, if any, have been disposed of by appropriate authorities and the person has satisfied all other requirements imposed by the local board of education as a condition for readmission.

SCHOOL BUS SERVICES

Bus drivers will run their routes at such a time as to arrive at their home school no earlier than 7:35 a.m. Buses that serve feeder schools will arrive at those schools at a time necessary for them to arrive at their home school at the proper time.

STUDENT TRANSPORTATION RULES

General Transportation Policies

The driver is in charge of the school bus in the same manner a teacher is in charge of a classroom. The bus is considered an extension of the classroom. Students shall conduct themselves in an orderly and respectful manner. Poor conduct is not tolerated in the classroom nor will it be tolerated on the bus. Failure to do so endangers the driver and students.

RIDING THE BUS IS A PRIVILEGE, NOT A RIGHT.

LOSS OF BUS TRANSPORTATION MAY OCCUR IF THE BUS RULES ARE NOT FOLLOWED.

ANY SUSPENSION FROM THE BUS CAN BE APPEALED.

See Suspension Appeal Form

Meeting the Bus- It is the parent/guardian's responsibility to have their child at the assigned bus stop at least 10 minutes before the regular pickup time and remain at the stop until the bus arrives.

Questions regarding transportation

- For questions regarding the transportation process to include bus stops, bus routes, bus pick up times,

- drop off times, etc., please call the CCS Transportation Department.
- Direct all questions or concerns related to disciplinary actions to your child's school administrative staff.
- The driver will not have any information regarding the outcome of infractions submitted to the school office.

BUS RULES

The bus is an extension of the classroom/school. **The school administrator, transportation director, the superintendent and his/her designee are the only authorized CCS staff to make the recommendation to suspend students from the bus.**

1. The driver is in charge of the bus and students. Students must obey the driver promptly and willingly.
2. All school rules/regulations are in effect when students are on the school buses.

4. Students must not move toward the bus until the bus has made a complete stop and the doors are opened.
5. Students must remain seated while the bus is in motion and remain seated until the bus has come to a complete stop.
6. The bus driver is responsible for seating arrangements and may assign students to a seat. Students must sit in an assigned seat.

8. Students must be quiet at all railroad crossings and road intersections.
9. The school district will hold the student or parent/guardian responsible for any damage to a school bus caused by the student. The parent will be required to make restitution.

The goal of the Conecuh County Transportation Department is to provide a safe and enjoyable ride for all students.

If the problem cannot be resolved by the driver, then the driver will report the incidents to the school principal. The bus driver has **no** authority to administer disciplinary actions. Please contact your child's school in regards to disciplinary concerns.

Class B – Violations of Bus Rules

Class B violations (Class I, II offenses) include disruptive behaviors that interfere with transporting students in Conecuh County Schools' jurisdiction. Bus drivers are expected to manage general bus disruptions and distractions. When the action taken by the drivers is ineffective or the disruption is severe, the drivers may write a bus referral for a Class B-I offense or a Class B-II offense. The referral is submitted to the school principal for disciplinary action, which could include bus suspension, out of school suspension, or expulsion.

NOTICE OF COMPULSORY ATTENDANCE (detailed review of Alabama State Laws)

The Board shall enroll in school all students residing within the school district between the ages of six (6) and seventeen (17) not otherwise receiving instruction in a private school, church school, home school, or being taught by a private tutor. Additionally, any child who is five (5) years of age on or before September 1 of that school year and lives in the school district and wishes to attend school may do so. An accurate record of attendance for every student enrolled in school shall be maintained. This record shall be kept by the classroom or homeroom teacher or other designated person in the school in the official register or through other officially approved documentation provided or approved by the State Department of Education.

Parents and guardians are responsible for enrolling their children in school and ensuring that the children attend school and obey behavior policies adopted by the Board. Parents failing to enroll students and ensuring their attendance and proper behavior are subject to fines and imprisonment under state law. State law also requires that

all student suspensions from school must be reported to the local district attorney.

Principals must report to the local superintendent any parent, guardian, or other person having control or custody of a child who fails to require the child to attend school or receive instruction by a private tutor, or fails to properly conduct him/herself at school. The Superintendent or designee is required to report the violators to the district attorney within 10 days.

A portion of Act 94-782 is printed below for the purpose of informing parents and others of the law as it relates to them. "Act 94-782. Section 1. Section 16-28-12, Code of Alabama 1975 Is amended to read as follows:

The absence of a child without the consent of the principal or teacher of the public school he or she attends or should attend, or of the tutor who instructs the child, shall be prima facie evidence of the violation of this section.
- (b) Each local public board of education shall adopt a written policy for its standards on school behavior. Each local public school superintendent shall provide at the commencement of each academic year a copy of the written policy on school behavior to each parent, guardian, or other person having care or control of a child who is enrolled. Included in the written policy shall be a copy of this section. The signature of the student and the parent, guardian, or other person having control or custody of the child shall document receipt of the policy.
- (c) Any parent, guardian, or other person having control or custody of any child enrolled in public school who fails to require the child to regularly attend the school or tutor, or fails to compel the child to properly conduct himself or herself as a pupil in accordance with the written policy on school behavior adopted by the local board of education and documented by the appropriate school official which conduct may result in the suspension of the pupil, shall be reported by the principal to the Superintendent of Education of the school system in which the suspected violation occurred. The Superintendent of Education or his or her designee shall report suspected violations to the district attorney within 10 days. Any principal or Superintendent of Education or his or her designee intentionally failing to report a suspected violation shall be guilty of a Class C misdemeanor. The district attorney shall vigorously enforce this section to ensure proper conduct and required attendance by any child enrolled in public school."

EXPLANATION OF TRUANCY

All children enrolled in Conecuh County Schools, whether compulsory school age or not, are subject to school attendance and truancy laws of the State of Alabama. All cases of non-enrollment or non-attendance will be investigated by the Conecuh County Board of Education Attendance Officer. In cases where there is no valid reason for absence, the attendance officer will give written notice to the parent, guardian, or other person having control of the child to require attendance of the child within three days of the date of the notice. If the absence is found to be without valid excuse or reason and intentional, the attendance officer shall be required to bring criminal prosecution against the parent, guardian, or other person having control of the child.

(16-28-16 Code of Alabama Effective July 1, 2000.)

The Board shall not tolerate truancy or the habitual and unlawful absence from school. In accordance with state attendance laws, habitual absences shall be investigated and dealt with by the principal or attendance officer. The parent or legal guardian is responsible for requiring any student under his or her control or charge and under seventeen (17) years of age to attend school regularly except for legal absences as defined by Alabama School Law and State Board of Education rules and regulations. When students have at least three unexcused absences from school per school year, they must be reported by a designated school official to the school system attendance officer as directed by the Superintendent of Education. If a student becomes truant, the parent or legal guardian of said

student may be guilty of a misdemeanor and subject to punishment by law. Students will be counted present in attendance at school on all days for which they are present at least one-half of the school day regardless of whether they are late to school, leave school early, or leave and return to school during the same school day.

Parents/guardians are responsible for enrolling their children in school and assure their children attend school and obey behavior policies set by the Board. Parents/guardians who fail to enroll or assure attendance and proper behavior of their children may be charged with contributing to the delinquency of a minor and fined up to \$500 or sentenced to hard labor for the county for a period not to exceed 12 months or both. If a parent/guardian files a written statement in court to the effect that he/she is unable to control his/her child, that student may then be subject to action of the juvenile court, which will determine whether said student is a dependent, neglected, or delinquent child.

ATTENDANCE AND TRUANCY POLICIES

Attendance and Conduct (Act 93-672)

Parents must have school age children enrolled in school, attend regularly, and behave properly. Those parents who do not comply shall be guilty of a misdemeanor. Upon conviction they shall be fined not more than \$100 and may also be sentenced to hard labor for the county not more than 90 days. Also, the law requires the Superintendent to inform the local district attorney of all school suspensions.

Attendance and Conduct (Act 94-782)

Each parent/guardian or other person having control or custody of a child required to attend school who fails to require the child to enroll, to regularly attend school, or to compel the child to properly conduct himself/herself as a pupil in accordance with the written policy on school behavior adopted by the local board of education shall be guilty of a misdemeanor (may be fined up to \$100 and may be sentenced to hard labor for up to 90 days.)

In accordance with the Alabama State Laws, Conecuh County Schools requires that all children between the ages of six (6) and seventeen (17) be enrolled in school. All students should attend school regularly and be punctual for all classes to receive the greatest benefit from the instructional program and to develop habits of punctuality, self-discipline, and individual responsibility. Attendance at school shall be one of the factors considered in determining the promotion of a student from one grade to another in any given course.

The attendance supervisor is charged by the Board to determine appropriate sanctions to be taken against students and parents. A district-appointed Attendance Officer, also known as a Truancy Officer, will provide additional support to students and parents to ensure the effectiveness of the policy.

General Requirements:

According to the Alabama State Department of Education, excused absences are as follows:

- (a) Student illness
- (b) Death in the immediate family
- (c) Emergency conditions as determined by the principal
- (d) Legal quarantine
- (e) Summons to court
- (f) Prior permission of the principal, as requested by parent or legal guardian

All other absences are unexcused and will be marked accordingly in the attendance register. Students who are absent from school must bring a written note signed by the parent, legal guardian, or doctor, specifying the reason for the absence. The written note must contain the student's name and a reason for the absence(s), date(s) of the absence(s), provide a phone number where the parent/legal guardian may be reached for verification purposes, and a signature. (Please see the example below for an acceptable format of written excuses.) All excuses should be presented to the designated person at the school. Principals shall make the determination of whom this person or these persons may be on the school's campus.

SAMPLE EXCUSE FORMAT

Today's Date: _____ Date of Absence: _____

Reason for Absence: (written statement from the parent, legal guardian, doctor*)

Phone Number: _____

(Please provide the phone number for the parent or legal guardian in case it is necessary to verify this excuse.)

Signature of Parent/ Legal Guardian/ Doctor

**Please Note: An excuse from a Doctor's Office will not require the use of this form. It is only necessary to complete this form if your child did not see a doctor at the time of his/her absence.*

Guidelines for Excuses:

- Late-check ins and early check-outs may be deemed an absence.
- Parents and Legal Guardians may use the above format to request an Excused Absence.
- Parents and Legal Guardians are allowed to write no more than 5 notes per semester
 - **5 notes- 1st semester & 5 notes- 2nd semester for a total of 10 written**
- All absences exceeding the requirements listed must have a doctor's excuse.
 - **6th absence in any semester must have a doctor's excuse or legal notice**
- Absences that do not meet the above criteria for "excused" shall be deemed truant.

Guidelines for Make-Up Work:

Once students return to school with an excused absence, make-up work shall be provided by teachers. For those students in elementary school (K-6th), teachers shall have a designated system for tracking and organizing make-up work (i.e. Make-Up Folders, etc.). For those students in middle and high school, it *may* be necessary for students to inquire about any missed assignments and make arrangements for the make-up work. **Grades will be assigned to make-up work for students who have excused absences.** Those students whose absences are unexcused earn zeros for missed assignments. In the event that absenteeism becomes excessive, exceeding 5 days per semester, or 10 per school year, students may no longer be eligible to receive make-up work assignments. The principal, or the principal's designee, will assume responsibility for recording chronic absenteeism on the Gradebook Audit Forms.

Make-Up Work Summary

1. For the first 5 absences each semester, students will be eligible to make-up work and receive a grade for excused absences.
2. After a 5th absence from school or class in any one semester, no make-up work will be given without either the principal's permission or a letter from the Doctor's Office explaining a medical condition. Principal's permission is to be used primarily for events beyond a student's control (i.e., extended illness, family death, etc.).
3. If the student is eligible to make up missed work, he/she in cooperation with the teacher, must make arrangements for make-up work or tests. Such work or tests should be completed within the following time frame:
 - a. **EXCUSED ABSENCES**- When a student returns to school after an excused absence, he/she has (5) days or the number of days equal to the number of days of consecutive absences; whichever is greater, following the student's return to class to make up missed work without penalty.
 - b. **UNEXCUSED ABSENCES**- After a student exceeds the 5th absence per semester (*i.e. a student with*

6 absences in the 1st semester) without the principal's written permission or a letter from the Doctor's Office explaining a medical condition.

Explanation of Unexcused Absences

Students are unexcused when no documentation has been submitted to the office to explain why he or she is not present at school. An unexcused absence means that the student is considered truant. Please note that unexcused absences accrue for the entire school year, and do not start over at the beginning of second semester.

1. Upon the **first unexcused absence**, the parent will be notified by the principal or his/her designee that the student was truant and the date of truancy. The principal or his/her designee will be mailed a written notification of their child's unexcused absence.
2. Upon the **second unexcused absence**, the principal or his/her designee will document and call the parent/guardian regarding their child's unexcused absences.
3. After the **third unexcused absence**, the parent/guardian shall attend a conference with the principal or designee. The parent will be given a copy of the law in reference to mandatory attendance of students that are between the ages of 6 and 17.
4. After the **fifth unexcused absence**, the parent/guardian will be notified for a mandatory conference at the Board of Education. Failure to appear at the conference and/or to appear at the early warning program shall result in the filing of a complaint/petition against the parent under Code of Alabama (1975), §16- 28-12(c) (failure to cooperate), or a truancy against the child, whichever is appropriate.
5. After the **sixth unexcused absence**, the building principal or his/her designee will notify the system attendance supervisor and then the truancy officer will be dispatched to conduct a home visit to the student's home. The truancy officer will document the visit using an official school form that records pertinent information related to truancy.
6. After the **seventh unexcused absence**, the system attendance supervisor or truancy officer will file a complaint/petition with the Juvenile Court against the child and/or parent/guardian, if appropriate.

CHILD UNDER PROBATION

- A. The school attendance officer should be notified by the juvenile probation officer of all children in the school system under probation supervision by the juvenile court as consistent with state statute, Code of Alabama (1975), §12-15-100 and 105.
- B. Where a child under probation is truant, the school attendance officer should immediately notify the juvenile probation officer.

CHECK-OUT PROCEDURES

1. K-12 students may not leave campus unless checked out in person by a parent or designated person.
2. Parents may identify two or three other responsible adults to whom permission is given to check their child out of school. A picture ID must be presented by these individuals when checking out the child. Names and phone numbers of these individuals will be maintained at school. Teachers and school board employees may not be designated by another parent to check a child out and to transport the child home during the instructional day.
3. Students, who drive to school, may check out with a written note from parent/guardian. The note must contain the contact number(s) of the parent/guardian. The note must be presented to the office at the beginning of school day. Office personnel must call and speak directly to the parent/guardian to verify the note. If office personnel are not able to verify the note with the parent/guardian, the student will not be allowed to check-out.

CO-OP STUDENTS

Students who are enrolled in Co-op will not be permitted to work when on suspension or absent from school.

The Co-op Coordinator is responsible for notifying the employer that the student will not be permitted to work

IN-SCHOOL STUDY PROGRAM

In-School Study Program (ISSP) is a structured disciplinary action in which a student is isolated, but is not dismissed from the school setting. The principal or designee has the authority to assign students to the in-school study program for a reasonable and specified period of time. Students will not participate in school related after school activities.Students should not be assigned any more than five (5) consecutive days to the In-School Study Program (ISSP).

CORPORAL PUNISHMENT

The Board shall allow reasonable corporal punishment only after other means of discipline have failed to produce desirable results. If corporal punishment is required, it shall be administered only by a certified employee (principal or his/her designee) in the presence of another school certified employee, who has been informed beforehand of the reason(s) for the punishment. At no time shall corporal punishment be administered in the presence of another student or an open area. Parents who object to corporal punishment as a method of discipline shall advise the school administrator in writing of the objection; however, the school administrator has the authority to determine appropriate discipline [Alabama Code Section 16-28A-1: U.S. Constitutional case law as supported by Ingram v Wright (1977) authorizes the use of corporal punishment by school officials]. In those schools without assistant principals, the principal shall appoint a designee(s) who may administer/witness such punishment in his/her absence.

In administering corporal punishment, the following guidelines shall be adhered to:

1. The employee will use a Board issued paddle.

SUSPENSION

Suspension is defined as the temporary removal of a student from school. Students who are suspended may not attend or participate in school related activities until reinstated on the day following the suspension. The authority to suspend a student from school rests entirely with the principal/designee of each school. Each suspension should be for a specified number of school days, not to exceed ten (10) consecutive school days. Any deviation from said pattern would require authorization from the Superintendent of Schools or his/her designee.

Suspended students will be prohibited from being present on any public school premises that are owned and operated by the Conecuh County Board of Education. Upon completion of suspension, parents may be required to accompany the student back to school the first day for an intake conference with the administration. If a parent is unable to accompany the student back to school on the first day after the completion of suspension, prior arrangements and approval must be made with the principal. If not, the student may be placed in ISSP until the parent is contacted. A student will not be able to withdraw or enroll in any other school in the Conecuh County School System while under suspension. All suspended absences will be considered as unexcused absences. Students will receive a grade of zero (0) for graded assignments completed during the suspension(s) and/or unexcused absence(s).

PROCEDURAL POLICIES FOR SUSPENSIONS- INITIAL HEARING BY PRINCIPAL OR DESIGNEE

The principal or designee shall conduct an informal due process conference prior to any suspension. However, if the student's presence in the school endangers persons or property, the principal shall be authorized to have the student immediately removed from the school and shall conduct the informal due process conference as soon as possible.

When necessary to determine alleged misconduct, the principal or designee may suspend a student from school for a period up to three school days pending an investigation. If the investigation determines that the student is not responsible for the misconduct, **the suspension will be rescinded.** (If rescinded, the student has the opportunity to make-up any work missed and absences are excused).

1. Prior to any suspension, the principal or designee must inform the student of the misconduct of which he/she is accused and the basis for the accusation.
2. Prior to any suspension, the principal or designee must give the student an opportunity to explain his/her version of the facts. The principal or designee may interview witnesses requested by the student. The witnesses are not required to be sworn in for this informal due process conference; however, the control of the process is subject to the discretion of the principal or designee. The principal or designee shall make a reasonable effort to reach a fair determination of the incident based on the information obtained before making any disposition.
3. If the principal or designee imposes a suspension or a disciplinary action other than a recommendation for expulsion, no further disciplinary hearing shall be required.
4. Telephone contact shall be attempted and a letter sent to the parent/guardian responsible for the student when suspended explaining the reason for the suspension, and the date and time of a conference if required for a student's readmission from a suspension.
5. The principal may allow a student to return to school from a suspension without a parent conference if it is determined that readmitting the student is in the best interest of the student. A parent/guardian who willfully refuses to attend a readmission conference/meeting in person or by phone regarding a student's behavior may be referred to the Circuit Court's Juvenile Division.
6. In the event the suspension is for damage to property owned by the school system or property contracted by the school system, the notice shall advise the parent/guardian that Conecuh County Schools may pursue legal action until payment or arrangements for payment for the damage has been made.

GUIDELINES FOR SUSPENSIONS

Suspension should be one of the last disciplinary actions used if possible. Suspension should be progressive in nature and not punitive. Therefore, when the disciplinary action of suspension is utilized by a school administrator for a student, the following guideline shall be used:

- **First Suspension**- not more than 3 days
- **Second Suspension**- not more than 5 days
- **Third Suspension**- not more than 8 days

- **Fourth Suspension**- not more than 10 days

EXPULSION

Expulsion is defined as the removal of a student from a school for violation of school rules or regulations. The authority to permanently expel a student is retained by the Board of Education, which alone can approve such an action. A student who is expelled loses the privilege to attend extracurricular activities.

Prior to re-admittance, any student expelled from school must have a conference with the superintendent and principal. Any expelled student will be placed on probation for one semester upon his/her return to school. Parents are expected to attend the above-mentioned conference.

DISCIPLINARY HEARING PROCEDURES

A principal CANNOT expel a student. Only a principal can recommend a student for expulsion through a disciplinary hearing. If a principal or designee recommends a student for a hearing, the student may be suspended pending the results of the hearing. The student will have a disciplinary hearing, in which the superintendent or designee will determine after the hearing whether to uphold the suspension days or expel the student.

Expulsion- The permanent removal of the rights and obligations of a student to attend a public school. Any student who has been expelled will not be readmitted to any Conecuh County School until the designated expulsion time has elapsed.

2. A hearing shall be conducted within five (5) school days from the date the student is given notice of the proposal or recommendation for a disciplinary hearing. 3. The student shall be afforded the opportunity to know the charges and evidence against him/her, will be given the opportunity to defend his/her actions, and will be permitted to question and present evidence. The student must be accompanied by a parent/guardian and may be assisted by an attorney or any other person of the student's choice.
4. Until the hearing takes place, the student may remain suspended from school and all CCS school-related activities.
5. A hearing shall be held for special education students when the misconduct is not a manifestation of the student's disability. The relevant disciplinary procedures applicable to students without disabilities may be applied in the same manner, except that a free, appropriate public education must be provided.
6. Upon conclusion of the hearing, the superintendent or designee shall determine whether the student shall be expelled or if other corrective or disciplinary actions shall be taken. Due process decisions for special education students are made by the IEP team.

Expulsion Results

Any parent/ guardian of an expelled student shall have the right to appeal the result of a disciplinary hearing resulting in expulsion to the superintendent or designee in writing within five school days of the decision. Reporting, Investigation, and Complaint Resolution Procedures.

- A. Complaints alleging violations of this policy must be made on Board approved complaint forms available at the principal and/or counselor's office. The complaint must be signed by the student alleging the violation or by the student's parent or legal guardian and delivered to the principal or the principal's designee either by mail or personal delivery. At the request of the complaining student or the student's parent or legal guardian, incidental or minor violations of the policy may be presented and resolved informally.
- B. Upon receipt of the complaint, the principal or the principal's designee will, in their sole discretion, and determine if the complaint alleges a serious violation of this policy. If the principal or the principal's designee determines that the complaint alleges a serious violation, the principal or principal's designee will undertake an immediate investigation of the complaint. The investigation will entail the gathering of relevant facts and evidence and will be completed within twenty (20) working days, when practical. If the investigation establishes a violation, appropriate disciplinary sanctions will be imposed on the offending student(s). Other measures that are reasonably calculated to prevent a recurrence of the violation(s) may also be imposed by the principal or the school system.
- C. Acts of reprisal or retaliation against any student who has reported a violation of this policy or sought relief by this policy are prohibited, and are themselves a violation of this policy. Any confirmed acts of reprisal or retaliation will result in the student being subject to disciplinary sanctions that may include any sanction, penalty, or consequence that is available to school officials under the Code of Student Conduct. A student who deliberately, recklessly, and falsely accuses another student of a violation of this policy will be subject to disciplinary sanctions as outlined in the Code of Student Conduct.

Grading, Promotion, & Retention Policy

GRADING SCALE (Numerical Basis for Grades)

- The scale for determining nine weeks, semester, and the yearly grades for subjects is listed below.

Kindergarten GRADING SCALE	
E = Excellent (Grade equivalent to an A)	90 - 100
G= Good (Grade equivalent to an B)	80-89
S = Satisfactory (Grade equivalent to an C)	75-79
N = Needs Improvement (Grade equivalent to an D)	70-74
U = Unsatisfactory (Grade equivalent to an F)	0 - 69

1 st -12th Grade GRADING SCALE	
A = Excellent/Exceeds Standard	90 - 100
B = Good/Meets Standards	80 - 89
C = Satisfactory/Partially Meets Standards	70 - 79
D = Needs Improvement/Meets Few Standards	60 – 69
F = Unsatisfactory/Failure	0-59

- The maximum number of points allowed for grading purposes is one hundred (100). PowerSchool will not accept grades over 100. "I" (Incomplete) is not to be inserted in lieu of a grade.
- The numerical scale for the quarter grade, semester grade, and yearly grade shall determine the values assigned for learning activities (reports, projects, portfolios, and other criterion-based assignments).
- In averaging grades, any fractional part .5 (1/2) or over will be rounded up to the next whole number (examples: 90.5 = 91; 81.6 = 82; 59.51 = 60).
- The determination of passing or failing a subject is made by converting the letter grades and getting the average of the quarter grades and semester exam. If the average is below 60, the subject fails.

GRADING AND ATTENDANCE

- EXCUSED ABSENCES-** When a student returns to school after an excused absence, he/she has three (3) days or the number of days equal to the number of days of consecutive absences; whichever is greater, following the student's return to class to make up missed work without penalty. - SUSPENSIONS/UNEXCUSED ABSENCES-** Students will not be allowed to make-up work given on days where an unexcused absence or suspension is marked in the gradebook. Students will receive a grade of zero (0) for graded assignments completed during the suspension(s) and/or unexcused absence(s). If a suspension is modified or reversed through the suspension appeal process, related absences will be excused and the student will receive make-up work for those excused days.
- Any student in grades 1-8 who has accumulated **more than ten (10) combined unexcused absences and suspensions per year MAY BE RETAINED.**

Conecuh County Schools recognizes and appreciates that some students qualify for graduation prior to the end of the school year. Those students who are identified by the principal of Genesis Innovative School or Hillcrest High School may graduate early. A mid-year graduation ceremony will be held during the 1st scheduled January Board Meeting. Any student completing ALSDE Graduation Requirements prior to January 1 must attend the Mid-Year Graduation Ceremony. (At no time will a student be permitted to remain enrolled on a high school campus without a full academic schedule.) All other students will participate in the May Ceremonies offered by each Genesis Innovative School or Hillcrest High School.

Recognition of Early Graduates at the Mid-Year Graduation (January Graduates only)

Early Graduates will be recognized for their academic achievements during the January graduation. A student will be selected from their peers to provide a speech on behalf of fellow graduates. It is recommended that this student have a GPA of 3.5 or higher.

For students who reach Early Graduation through Credit Advancement, there is the option of graduating as a member of the current high school class. Students will be recognized as Early Graduates at the Graduation Ceremony. In addition, students who meet the requirements of 3 full semesters prior to graduation will be considered for the class rankings of Valedictorian, Salutatorian, and/or Honor Student.

All Early Graduate students must attain a College and Career Readiness Indicator prior to participating in a ceremony. Students must also show evidence of preparation for life after high school graduation in the form of college acceptance and enrollment, military enlistment, or evidence of employment. TRANSFERS INTO THE SYSTEM

- A.** Transfers from district approved Accredited Schools (State or Regional)
 - a.** A student entering Conecuh County Schools from an accredited school is placed conditionally until his/her records are received from the school previously attended.

 - c.** If a student transfers to another school not in the system, the originating school should send a copy of the cumulative card to the receiving school upon written request.
- B.** Transfers from Non-accredited Schools (State, Regional, or Home)
 - a.** A student entering Conecuh County Schools from a non-accredited school should be evaluated for grade/course placement by the school principal or his/her designee.

 - d.** The validation test may be administered in the school setting. Schools should contact the office of Curriculum & Instruction for guidance. Guidelines are listed in the Alabama Administrative Code (AAC) 290-3-1-.02(7) (k)
- C.** Transfers of Students with Disabilities- IEPs for Transfer Students
 - a.** In State Transfers. In the case of a child with a disability who transfers within the same school year, who enrolls in a new school (Conecuh County Schools), and who had an IEP that was in effect in Alabama, the new public agency, in consultation with the parents, must provide FAPE to

a child, including services comparable to those described in the child's previously held IEP, until such time as the new public agency adopts the previously held IEP or develops, adopts, and implements a new IEP.

- b. Out of State Transfers. In the case of a child with a disability who transfers within the same school year, who enrolls in a new school (Conecuh County Schools), and who had an IEP that was in effect in a previous public agency in another state, the new public agency, in consultation with the parents, must provide the child with FAPE, including services comparable to those described in the previously held IEP, until such time as the new public agency conducts a new evaluation (if determined to be necessary by the new public agency) and determines eligibility. If an evaluation is determined to be necessary by the IEP Team, that evaluation will be considered to be an initial evaluation. If the parents refuse consent for the initial evaluation, the public agency may, but is not required to initiate mediation and/or a due process hearing to override the parents' refusal.
- c. The new public agency (Conecuh County Schools) in which the child enrolls must take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of special education or related services to the child, from the previous public agency in which the child was enrolled, and the previous public agency in which the child was enrolled must take reasonable steps to promptly respond to such request from the new public agency.

GRADING/PROMOTION/RETENTION FOR STUDENTS WITH DISABILITIES

- A. Accessibility of the Child's IEP. Each public agency (Conecuh County Schools) must ensure that the child's IEP is accessible to each regular education teacher, special education teacher, related service provider, and other service provider who is responsible for implementing the IEP. In addition, each teacher and provider must be informed of his or her specific responsibilities related to implementing the child's IEP and the specific accommodations, modifications, and supports that must be provided for the child in accordance with his or her IEP. When revisions are made to the IEP, the persons responsible for IEP implementation must be informed of the changes. *Persons Responsible for IEP Implementation* form used to document
- B. Accessibility of the Child's IEP.

GRADING SCALE (Numerical Basis for Grades) FOR STUDENTS WITH DISABILITIES

- A. The scales to be used in determining grades for a student are:

Kindergarten GRADING SCALE	
E = Excellent (Grade equivalent to an A)	90 - 100
G= Good (Grade equivalent to an B)	80-89
S = Satisfactory (Grade equivalent to an C)	75-79
N = Needs Improvement (Grade equivalent to an D)	70-74
U = Unsatisfactory (Grade equivalent to an F)	0 - 69

1st -12th Grade GRADING SCALE	
A = Excellent/Exceeds Standard	90 - 100
B = Good/Meets Standards	80 - 89
C = Satisfactory/Partially Meets Standards	70 - 79

F = Unsatisfactory/Failure	0-59

- B. Each annual goal on the IEP will be evaluated in terms of the criteria stated.
 C. Progress reports (indicating whether the progress, if continued, is sufficient to meet the annual goal) will be sent to parents in accordance with timelines established in the IEP.
 D. The teacher(s) must be able to provide evidence to justify all subject area grades. Evidence must be available to justify the evaluation listed for an IEP goal.

EVALUATION OF STUDENTS WITH DISABILITIES

- A. General education teachers are to ensure that students with disabilities in general education courses are not penalized because of time spent out of the general education program for resource instruction.
 B. A student with a disability should not be expected to do all the class activities missed while participating in a resource program. If a test is missed because of participation in a resource program, provision is to be made for a make-up test without penalty to the student.

GIFTED PROGRAM DEFINITION

- A. Intellectually gifted children and youth are those who perform at or have demonstrated the potential to perform at high levels in academic or creative fields when compared with others of their age, experience, or environment. These children and youth require services not ordinarily provided by the regular school program. Children and youth possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor. Gifted students may be found within any race, ethnicity, gender, economic class, or nationality. In addition, some students with disabilities may be gifted.

 C. The Alabama Administrative Code requires that LEAs must utilize a variety of service delivery options that may include but are not limited to resource room pull-out, consultation, mentorships, advanced classes, and

independent study. Gifted students' need for complexity and accelerated pacing must be accommodated in the general education program. Accommodations may include strategies such as flexible skills grouping, cluster grouping with differentiation, curriculum compacting, subject and grade acceleration, dual enrollment, and advanced classes. Each LEA must establish and implement a procedure for considering any requests for subject or grade acceleration.

D. Conecuh County has selected the following gifted service delivery options:

GIFTED SERVICE DELIVERY OPTIONS	
K-2	Consultative services from the gifted specialist provided in the regular classroom setting (e.g., extra materials, learning centers)
3-8	Traditional pullout services for 3-5 hours a week

GIFTED REFERRAL PROCESS

- A. Gifted students are those who perform at or who have demonstrated the potential to perform at high levels in academic or creative fields when compared to others of their age, experience, or environment. These students require services not ordinarily provided by the regular school program. Students possessing these abilities can be found in all populations, across all economic strata, and in all areas of human endeavor.
- B. Teachers, counselors, administrators, parents or guardians, peers, self, or any other individuals with knowledge of the student's abilities may refer a student. Additionally, all second grade students will be observed as potential gifted referrals using a gifted behavior checklist.
- C. For each student referred, information is gathered in the areas of Aptitude, Characteristics, and Performance. The information is entered on a matrix where points are assigned according to established criteria. The total number of points earned determines if the student qualifies for gifted services.
- D. To make a referral, contact the principal or counselor at your child's school.

The Conecuh County School System will select and administer tests and evaluative materials that are sensitive to cultural, economic, and/or linguistic differences and that are appropriate for the special populations such as the sensory impaired, LEP, or physically impaired student. Students from underrepresented groups will have both verbal and nonverbal abilities assessed (and creativity when appropriate) before being determined ineligible.

Evaluation of Gifted Students Elementary Students Only Elementary Resource Room Pull Out

- A. General education teachers are to ensure that students are not penalized because of time out of the regular program to participate in the gifted program.
- B. A gifted student should not be expected to do the class activities missed while participating in the program and the number of grades should be adjusted accordingly. However, gifted students are expected to complete all homework assignments.
- C. If a test is missed because of participation in the program, provision is to be made for a make-up test without penalty to the student. Since a student will miss the same day of regular class each week, provision may need to be made for the student to make up scheduled tests on a regular basis (e.g., Friday spelling tests could be administered on Thursday).
- D. If a gifted student does not perform satisfactorily in the majority of his/her regular program classes, the provision will be made for a parent conference. A Gifted Specialist should participate in the conference. A gifted student may not be denied gifted services because of classroom performance or behavior without written consent from the parent.
- E. Acceleration- Any student enrolled in the district may be referred for consideration for acceleration by a general education teacher, administrator, gifted specialist, guidance counselor, or parent/guardian. All requests for acceleration must be made to the principal. The principal will follow the Conecuh County

Board of Education Acceleration Procedures. A copy of these guidelines may be obtained from the principal or Special Education Coordinator.

GENERAL GRADING PROCEDURES/REGULATIONS FOR ENGLISH LEARNERS – ELs

- A. Each school will follow specific procedures for identifying ELs. Requirements and guidelines have been established by the Alabama State Department of Education regarding programs and services for English language learners under Title III, Part A, Subpart 1, of No Child Left Behind, 2001.
- B. Guidelines for Classroom Teachers of ELs
 - a. The same methods and criteria applied to the peers of ELs cannot always be used to assess students who lack English language proficiency.
 - b. Teachers should maintain high expectations for student learning while providing accommodated lessons and assignments so that ELs can progress.
- C. Assessments should be accommodated so that ELs can demonstrate their knowledge and skills. Accommodations must be documented on all assignments and/or assessments.
- D. Grades should be based on work that has been accommodated to diminish language barriers. Teachers will use the ESL Grading Guidelines document for guidance.
- E. If a student **can** demonstrate knowledge and skills in a particular subject, i.e., math, he/she should be assigned an achievement grade.
- F. **ELs must not be failed in a content area on the basis of lack of English language proficiency.** Appropriate instructional accommodations are the key to appropriate grading.
- G. Language-minority students may receive failing grades and may be retained when their failure is due to problems other than those caused by lack of language proficiency (e.g. participation). **Participation in the learning process**, in direct or accommodated methods, **is required** for all students. **Failure to participate requires that a failing grade be sent to parents.** No student should be left behind in the learning process, and no EL should be failed or retained without proof of accommodated instruction being provided.
- H. Involvement of ELs in the learning process should not be postponed because of language limitations. Teachers should find ways to include ELs in the learning process. Non-meaningful grades should not be assigned to ELs.
- I. Specific accommodations and strategies should be used to assist ELs. Specific training in how to accommodate ELs will be provided to grade level and content area teachers through the Office of Curriculum & Instruction.
- J. For **beginning** ELs (non-English proficient or limited-English proficient) alternative assessment is a preferred option. Examples include, but are not limited to; asking students to prepare portfolios, present projects or oral reports, make lists and other products that express what students have learned
- K. Teachers, under the leadership of the EL Committee, will document instructional services provided to and progress made by each EL.
- L. All progress reports and daily or weekly grades sent home by the teacher should be explained on the EL progress report so that the parents will understand exactly where the student is performing in terms of educational goals. Copies of graded work should be kept in the profile folder of each EL with documentation of accommodations provided.
- M. **Students in Grades 9-12** must be given the opportunity to earn credits toward graduation. Students should be given grades on accommodated work as outlined above.
- N. Summary
 - a. ELs must receive accommodated content work when needed.
 - b. Grading is based on accommodated work.
 - c. ELs must not be failed on the basis of lack of English language proficiency.
 - d. Grades placed in a student's cumulative folder must reflect the student's academic achievement on grade level academic content and student academic achievement standards.
 - e. Students who participate in pull-out ESL instruction should receive grades for learning in that context.
 - f. All schools serving ELs must be able to demonstrate progress in the achievements of their language-minority students. Accommodations should be measurably effective.
 - g. State Mandated Testing

- i. Only ELs who are in their first year of enrollment in an English-speaking US school may be excluded from certain tests.
- ii. At this time, all other ELs participate in state assessments. The Testing Coordinator and EL Coordinator will keep schools apprised of current requirements.

STATE TESTING REGULATIONS FOR SPECIAL POPULATIONS

- A. Alabama requires all students including students with disabilities receiving special education services with an Individualized Education Program (IEP), students with disabilities receiving 504 services with a 504 Plan, English Learner (EL) students with an Individual English Language Plan (I-ELP) to participate in the Alabama Student Assessment Program as well as to earn the necessary Carnegie units to meet high school graduation requirements. All students must be included to the fullest extent possible in all assessments and have their results included in the state accountability system. This required participation is supported by federal legislation. All assessments are available in English only; therefore, all students, including EL students must take state assessments as written in English. Documentation regarding participation in the Alabama Student Assessment Program must be made on the appropriate Participation Documentation form.
- B. Students Eligible for Accommodations on State Assessments. In Alabama, students must be eligible and already receiving special education services, 504 services, or English language instructional services in a pull-out program or in the regular classroom in order to qualify for testing accommodations. Accommodations should be provided to ensure that each student receives individual consideration of his or her disability or limited-English proficiency. However, an accommodation should not be provided if it changes the nature, content, or integrity of the test.
- C. All decisions regarding participation in the testing program and/or accommodations must be made on an individual basis and will be justified and documented in the IEP, 504 Plan, and/or LEP Plan. Accommodations are only those that have been practiced regularly in the classroom when the student receives instruction and/or takes subject area tests. These decisions must be reviewed on an annual basis or more often as needed.

SUMMER SCHOOL

Any summer school or twilight program in the Conecuh County Schools system will be conducted in accordance with the Southern Association of Colleges and Schools (AdvancED) accreditation standards.

- A. A student must secure written approval from the principal of the school he/she is presently attending prior to enrollment in any school other than the school he/she is presently attending, if credit is desired.

CREDIT RECOVERY

In accordance with the guidelines of the Alabama Department of Education (ALSDE), Conecuh County Schools will offer students who have received failing grades of 40 or above (on a 100-point scale) in courses that are required for graduation an opportunity to recover the lost credit through a standards-based approach that will target specific knowledge and skill deficits instead of requiring the student to repeat the entire course.

Credit Recovery Student Eligibility, Admission, and Removal

- Students are eligible to apply for Credit Recovery if the final grade earned in a course required for graduation was between 40 or above. Alternatively, such a student can choose to repeat a course in its entirety during the next regular school term. Students who have not achieved a baseline average of 40 or above (on a 100-point scale), must repeat the entire course. (*The application is available in the Appendix.*)
- Students must complete an application to request placement in a Credit Recovery Program. The student and parent/guardian must sign the application to consent to placement in the program and to acknowledge agreement with the terms of admission and program requirements.
- Students may be removed from a Credit Recovery Program at the discretion of the administrator supervising the program for circumstances involving serious or repeated misbehavior, failure to adhere to program attendance requirements, or failure to make adequate progress towards meeting remediation requirements.

Credit Recovery Program Authorization and Operation

- A tuition fee must be paid to participate in the program for each ½ credit course and will be nonrefundable should the student be dismissed from the program.
- The Credit Recovery Program will operate outside normal school hours during the school year and two three-week terms during Summer School. Students may enroll in one Credit Recovery Course at a time during the school year.
- Upon successful completion of one course, they may enroll in another course.
- During Summer School, students may recover up to (2) full Carnegie Units.
- Credit Recovery course offerings may be limited by the availability of space, teachers, or appropriate computer-based content for specific courses.

Credit Recovery Instructional Content and Curriculum

- A. ACCESS Distance Learning Credit Recovery Courses will be the primary source of instruction used to provide students with the instructional content and curriculum.
- B. ACCESS Distance Learning Credit Recovery Courses to permit students to prove mastery in units, allowing them to move past units in which they are proficient and concentrate on units in which they need additional work.
- C. ACCESS Distance Learning Credit Recovery Courses contain a pretest to determine the level of student mastery. If the student scores 70% or better, he/she continues to the next module. With a score of less than 70%, the student must complete regular coursework for that module and must complete a post-test in order to move to the next module.
- D. All ACCESS Distance Learning Credit Recovery Courses maintain a high degree of rigor. Students will be expected to complete all course work assigned when pretest mastery is not met.
- E. Current ACCESS Distance Learning Credit Recovery Courses include:

Once a student has completed all the assigned lessons in his/her course, he/she will take the Course Post-test for the subject(s).

- G. Students will be released from the Credit Recovery Program upon successful completion of individual remediation plans regardless of the number of hours of instruction.
- H. The National Collegiate Athletic Association (NCAA) does not recognize Credit Recovery for course credit. Student athletes should be advised accordingly.
