[Veterans Chaplain Censored for Biblical Sermon, Asks New VA Secretary to Intervene](#)

A U.S. Army Reserve chaplain is asking for the newly appointed Secretary of Veterans Affairs under the Trump administration to revoke the censorship of sermons—a policy adopted by the V.A. after the chaplain shared a text from Romans 1, where the Apostle Paul addresses homosexuality. And former Olympic champion Bruce Jenner, who is currently living as a woman, ALSO says he supports the president on transgenderism in sports.

[Wheaton College Caught in Dustup Over Alumnus Russell Vought](#)

On Friday (Feb. 7), Wheaton College, the evangelical Christian school outside Chicago, publicly congratulated Russell Vought, a conservative activist and architect of Project 2025 who attended the school, for his confirmation by the U.S. Senate as director of the White House Office of Management and Budget.

Russell Vought, President Donald Trump's choice for director of the Office of Management and Budget, appears before the Senate Budget Committee during a hearing examining his nomination, on Capitol Hill in Washington, Wednesday, Jan. 22, 2025. Within hours, hundreds of Vought's fellow alumni had complained that Vought's agenda contradicted the values they had been taught at Wheaton.

Highlights from Letters to Power 88

➤ Each morning I wake up to Power 88.5 blaring in my room. I leave it just like that until I get ready to be quiet (pray) before leaving my home for the day. That way I can still hear it in the shower and my children can wake up to the positive message that Power 88.5 thrives to provide. When I get in my car the dial is set to, you knew it- Power 88.5.

Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. 1 Corinthians 13:4-5
