

Calhoun County High School Course Change Request Form

Your schedule has been designed according to your requests, courses needed to complete your high school career, and availability of courses.

Changes will be considered only when one or more below reasons applies to your individual situation.

- There is a computer error.
- Summer school credits were earned.
- Standardized test scores warrant schedule changes.
- Course conflict

If your request meets one or more of the above reasons, please complete this form and return it to your advisor. Please continue to follow your schedule until you have been instructed to do otherwise. A guidance counselor will send for you as quickly as possible.
