|  |  |  |  |

## Vision for Learning

The Portage Area Junior Senior High School strives to create a school that respects individual differences and abilities. The school works to meet students at their ability level and assist them in the growth of not only their intellectually abilities, but also their respect for cultural differences and commitment to community involvement and service.

## Summary Of Strengths and Challenges

## Strengths

| Strength | Consideration In Plan |
| :---: | :---: |
| WIN period - Flexible period to allow for MTSS process or SEL programs. | Yes |
| Co-teaching structure continues to improve. | Yes |
| Adding a licensed therapist to the school. | No |
| Average class size in grades 7 \& 8 currently stands around 15 students per class. | Yes |
| Added a resource room to provide access to students with disabilities with an available classroom and teacher throughout the day. | Yes |
| Full time social worker and school psychologist introducing an updated MTSS model to the school | Yes |
| Curriculum rewrite has begun with the assistance of IU08. Core English and math created YAAG documents to guide instruction. | Yes |
| Math - Meeting interim Goal/Improvement target - A significant commitment to curriculum and increased instructional time. We have doubled the amount of time available in the daily schedule to teach and practice mathematics. | No |
| Attendance Rate - School boasts a respectable attendance rate for students not identified with a disability. | No |
| Positive school culture, as the staff promotes a safe and welcomed environment | Yes |
| Staff cares about each student, more than just academics | Yes |
| We have met the Future Ready Index Career Standards Benchmarks in previous years and intend to continue the same path. | No |
| Hosting our own career fair | No |
| Adding course(s) to expose students to numerous and various careers. These course were recently updated during curriculum update. | No |
| Success of the Transition Coordinator in first year with the expectation to expand the role next year. | Yes |
| Attending various local career fairs | No |
| Most students are involved in multiple after school activities. | No |
| New administration team working on improvement and implementing new programs to provide growth for the students. | Yes |

| Double period, 80 minutes, for 7th and 8th grade ELA classes | No |
| :--- | :--- |
| Added a resource room to provide access to students with disabilities with an <br> available classroom and teacher throughout the day. | No |
| Double period, 80 minutes, for 7th and 8th grade math classes | No |
| Added a resource room to provide access to students with disabilities with an <br> available classroom and teacher throughout the day. | No |
| WIN period - Flexible period to allow for MTSS process or SEL programs. | No |
| Co-teaching structure continues to improve. | No |
| Added a resource room to provide access to students with disabilities with an <br> available classroom and teacher throughout the day. | No |
| WIN period - Flexible period to allow for MTSS process or SEL programs. | No |
| Co-teaching structure continues to improve. | No |

## Challenges

| Challenge | Consideration <br> In Plan |
| :--- | :--- |
| Student with disabilities - ELA | Yes |
| Student with disabilities - Math | Yes |
| Grade-level attendance - Students with disabilities | Yes |
| Helping students find their interests to direct them to certain careers | No |
| Educator Effectiveness - Indicating lack of growth in grade 7 math. One teacher <br> assigned to grade 7. Grade 8 showing greater signs of growth. Learning Support <br> students - Cohort sample not large enough for an educator effectiveness report. | No |
| Teacher turnover | No |
| No official PBIS or MTSS program | Yes |
| Currently redefining the curriculum | Yes |
| Attendance - Work to develop a plan to communicate with families. Use of All-call |  |
| system, social media, various apps and emails. | Yes |
| Social and emotional incidents are on the rise and more non academic resources <br> are needed. | Yes |

| Class size due to limited faculty available. Science classes are large and often have <br> an aid in the classroom to assist. Working to get a certified Learning Support <br> teacher in a co-teaching setting for 22-23. | No |
| :--- | :--- |
| Emphasizing the importance of career exploration to 7th-11th graders | No |
| The economically disadvantaged student group is rising fast throughout the school <br> district. | Yes |
| Lack of diversity in student groups and staff groups. | Yes |
| Lack of staff and resources | Yes |
| Using a formal MTSS plan | No |
| Attendance - Work to develop a plan to communicate with families. Use of All-call <br> system, social media, various apps and emails. | No |
| Using a formal MTSS plan | No |
| Using a formal MTSS plan | No |

## Most Notable Observations/Patterns

It is important for us to improve our school attendance, especially for students with disabilities. We also need to provide more resources for students with disabilities to provide more support.

## Analyzing Strengths and Challenges

## Strengths

| Strength | Discussion Points |
| :--- | :--- |
| WIN period - Flexible period to allow for MTSS <br> process or SEL programs. | Will allow time throughout the day to promote <br> social and emotional learning |
| Co-teaching structure continues to improve. |  |
| Average class size in grades 7 \& 8 currently stands <br> around 15 students per class. | Continue to keep class size low to help teacher <br> to student ratio |
| Added a resource room to provide access to <br> students with disabilities with an available classroom <br> and teacher throughout the day. |  |
| Full time social worker and school psychologist <br> introducing an updated MTSS model to the school |  |
| Curriculum rewrite has begun with the assistance of <br> IU08. Core English and math created YAAG <br> documents to guide instruction. |  |
| Positive school culture, as the staff promotes a safe <br> and welcomed environment | Students eager to lease staff particularly in <br> grades 7 \& 8 |
| Staff cares about each student, more than just <br> academics | Staff innovative and excited to try new ideas <br> and strategies. Many take leadership role. <br> Word Gen, Third Quest, MTSS. |
| Success of the Transition Coordinator in first year <br> with the expectation to expand the role next year. |  |
| New administration team working on improvement <br> and implementing new programs to provide growth <br> for the students. |  |

Challenges

| Challenge | Discussion Points | Priority <br> For <br> Planning | Priority Statement |
| :--- | :--- | :--- | :--- |
| Student with disabilities - <br> ELA | No |  |  |
| Student with disabilities - <br> Math | Provide more time and <br> resources for students with <br> disabilities | Yes | We need to provide more time <br> and resources to our students <br> with disabilities |
| Grade-level attendance - <br> Students with disabilities | Must communicate with <br> parents and improve <br> attendance amongst Learning <br> support population | No |  |
| No official PBIS or MTSS <br> program | Assist school psychologist <br> and social worker in <br> implementing a MTSS system | Yes | Assist school psychologist and <br> social worker in implementing <br> a MTSS program. |
| Currently redefining the <br> curriculum | Continue our project to <br> update our school curriculum | Yes | We must continue updating <br> our curriculum to get aligned <br> to standards. |
| Attendance - Work to <br> develop a plan to <br> communicate with <br> families. Use of All-call <br> system, social media, <br> various apps and emails. | Communicate with students <br> and families more effectively. <br> Hold students accountable <br> for unlawful/unexcused <br> absences | Yes | We must communicate with <br> our students and families more <br> effectively and hold students <br> accountable for <br> unlawful/unexcused absences. |
| Social and emotional <br> incidents are on the rise <br> and more non academic <br> resources are needed. |  | No |  |
| The economically <br> disadvantaged student <br> group is rising fast <br> throughout the school <br> district. | No | No |  |
| Lack of diversity in <br> student groups and staff <br> groups. |  | No |  |
| Lack of staff and <br> resources |  | No |  |

## Goal Setting

Priority: We need to provide more time and resources to our students with disabilities
