Notes From the Superintendent

We are pleased to announce the students who have earned Academic Honor Roll status during the first nine weeks of the school year. Their names are listed in the local newspapers, website, and we salute them for their efforts and successes! We also want to thank the many parents who came to school for parent-teacher conferences. Your interest in your students' academic progress will assist the teachers in helping our students become the best they can be.

The District celebrated International Education Week November 17-22. In addition, we celebrated Chadwick-Milledgeville Elementary and Chadwick-Milledgeville Jr./Sr. High School achieving EXEMPLARY school status as designated by the Illinois State Board of Education. This places our district in the top 10% of schools in the state. This achievement is a testament to the outstanding students, parents, and staff we have in this fine district. Great schools are the result of great people!

We want to take this opportunity to invite you to visit our schools for the many upcoming extra-curricular programs and games. Finally, on behalf of the district I wish the entire community a Happy Hanukah, Merry Christmas, and best wishes for a great year in 2026.

Sincerely,
Tim J. Schurman, Superintendent

Counselor's Corner
Seniors should be close to finalizing their college choice. Please let me know where transcripts need to be sent.

Senior parents please make sure the FAFSA has been filled out if your student is going anywhere for post-secondary education.

I am meeting with seniors this month about scholarships. They can be working on them over break.

I hope everyone has a great winter break!
