Hickman County High School

Class Reunion Information Sheet

Thank you for contacting HCHS about your upcoming reunion. Please read our guidelines below and provide us with needed information. HCHS must receive this information sheet at least 2 weeks prior to your requested date in order to guarantee reserved seating, tailgating area or class trivia.

HCHS reserves the right to refuse requests for activities not deemed appropriate for the school campus. No food trucks or selling of food items from tailgate areas. Seating section will be selected by the school administration and roped off for the class. Tailgate area will be determined by school administration and roped off for the class. Classes must provide their own seating, tables and equipment for tailgating in the tailgate area. The tailgate area must be cleaned up by the class using the area. The school does not have the resources to provide clean up. If this is not done, this jeopardizes future events of this type.

Tailgate areas will be available beginning at 5:30 pm prior to game

I understand that Hickman County High School is allowing my class to use a designated area and I agree that the selected area will be left in the same condition as it was upon our class arrival. I have read and understand the above guidelines.
