

Boulder Elementary

November Newsletter

A Message from Mr. Jamison

This November the students in grades three through eight will be in their second year of testing with the State of Montana's MAST (Montana Aligned to Standards Through-Year) testing platform. The MAST test is designed to give teachers feedback on student progress in English Language Arts and Math.

We are hosting two nights of Parent-Teacher conferences this week on Wednesday, November 5th and Thursday, November 6th from 4:00 PM to 7:00 PM. Then, on Friday November 7th at 1:30 PM we will have an awards assembly in the gym to recognize our students with good attendance and academic standing.

Our boys' basketball season is now in full swing with competitions against Clancy, Montana City and East Valley. Go get 'em Panthers!

Of course, November is the month of Thanksgiving. And I would like to express my thankfulness for all the wonderful, hard-working members of our staff at Boulder Elementary. What a blessing to work with the most caring and knowledgeable teachers and paras. Parents, when you get a chance, express your gratitude to your child's teachers and helpers. They give a lot of love and energy to your kids every day.

We have a three-day Thanksgiving break at the end of the month starting on Wednesday, November 26. I hope each of you will enjoy a special time with family and friends.
