

“Pride in RCSS”

The “Pride in the Randolph County School System (RCSS)” program recognizes employees who display “pride in the school system” and “high character/high commitment” through their daily efforts. The primary focus is on smaller events associated with employees’ actions not as likely to attract much public attention. Nonetheless, actions by employees in relation to large events can be recognized as well.

Individuals selected for this recognition receive a “Pride in the Randolph County School System” lapel pin. Recipients of the pins are determined by the members of the RCSS Leadership Team, school principals, or Board of Education members.

Listed on the following pages are the “Pride in RCSS” pin recipients from May 1, 2022 to April 30, 2023. Thank you to these employees for their commitment to the Randolph County School System!
