PBIS/PAWS Kick-Off Celebration!

We had a PAWSome PBIS celebration this month! We had VHS cheerleaders, Band, and Warhawk mascot, join us as guests for our celebration. Mr. Willie Raines spoke with our students about the importance of respecting each other and not mistreating others. We celebrated living the PAWS life each and every day!!

Tips from the Top

Hello Wildcat Families,

Our school is participating in an important district initiative. It is called Positive Behavioral Interventions and Supports (PBIS). PBIS is a school-wide system that includes proactive strategies for teaching, modeling, and reinforcing appropriate student behaviors. Our PBIS is called "PAWS Life." We use "PAWS Life" to help our students have a safe, positive learning environment and to provide consistency in all areas of our school. We have a Matrix that includes expectations to be followed in the classroom, hallway, restroom, cafeteria, playground, SPECIALS etc.

Students are also taught bully prevention using the Second Step Program. In this program, students are taught to first recognize if an incident is bullying versus a one-time "mean" occurrence. Students then have the choice to refuse the bullying as well as go report it to an adult either as the victim or as a bystander. We encourage students to make good behavior choices by "Living the PAWS Life" and we want them to enjoy coming to Bonaire Elementary School every day. We appreciate your encouragement at home to do the same.

Thank you,
Dr. Jennifer Wynn
