Dear PUSD Parents and Guardians,

In alignment with the PUSD vision of ensuring all students have access to appropriate resources that serve their learning needs, Page Middle School is in need of science curricular resources for use in 6th-8th grade.

Elevate Science will be on display for parents and community members to view at the district office governing boardroom.

During the July board meeting, the PUSD Governing Board will vote on whether to adopt the new curricular resource. If you have any questions or feedback you would like to share, please contact me at 928-608-4109 or at jwood@pageud.org.

Thank you for your partnership and your involvement in your child's education.

Sincerely,

Jeannie Wood
