IMMEDIATE RELEASE

WILLIAMSBURG COUNTY SCHOOL DISTRICT OFFERS DUAL ENROLLMENT COURSES AT THE CONTINUUM IN LAKE CITY, SC

Williamsburg County School District, in partnership with Francis Marion University (FMU) offers Dual Enrollment courses, both in-person at the Continuum in Lake City, SC, and online to eligible junior and senior students. The Dual Enrollment program allows qualified students to take college-level courses while still in high school, with the opportunity to earn college and high school credit when they successfully complete those courses. College work is more rigorous than high school work, and students should be prepared for the added academic challenge. To register for courses, students should meet with their school counselor and/or designated high school Continuum coordinator to discuss courses. Once courses have been determined, the school will notify FMU to register the student for the approved course(s). The courses that are being offered are as follows: English I, II, and III, Algebra I, Geometry, Algebra II, Biology I, Biology II, and Chemistry.

Mission: The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
Vision: In partnership with all stakeholders, Williamsburg County School District will ensure a world-class education for all students by utilizing a rigorous, innovative curriculum that focuses on creativity, critical thinking, and problem solving.

"Refining & Redesigning Teaching and Learning!"
