

GROVETON ISD

District Improvement Plan 2021-2022

B.E.S.T – Building Excellence in Students and Teachers

8/23/2021

Title I School Wide Program Plan

1. Comprehensive needs assessment of the entire school.
2. School wide reform strategies.
3. Instruction by highly qualified teachers.
4. High-quality and ongoing professional development.
5. Attract highly qualified teachers to high-need schools.
6. Increase parental involvement.
7. Assist preschool children in the transition to local elementary program.
8. Include teacher in the decisions regarding the use of academic assessments.
9. Effective, timely assistance for students.
10. Coordination and integration of federal, state, and local services and programs.

Every Student Succeeds Act (ESSA) Goals

- Holding all students to high academic standards that prepare them for success in college and careers;
- Ensuring accountability and guaranteeing that when students fall behind, steps are taken to help them and their schools improve, with a particular focus on the very lowest-performing schools, high schools with high dropout rates, and schools where subgroups are falling behind;
- Continuing to ensure that parents and educators have annual assessment information about how students are doing, while supporting states and districts in reducing unnecessary, onerous and redundant testing;
- Empowering state and local decision-makers to develop their own strong systems for school improvement;
- Protecting students from low-income families and students of color from being taught at disproportionate rates by ineffective, inexperienced, and out of field teachers.

2021 - 2022 Groveton Independent School District Comprehensive Needs Assessment

Groveton ISD conducted a Needs Assessment for the 2021-2022 school year. Data from the following 8 areas was examined and needs identified:

- 1. Demographics**
- 2. Student Achievement**
- 3. Completion Rate/Dropout Rate**
- 4. Staff Quality, Recruitment and Retention**
- 5. School Culture and Climate**
- 6. Curriculum, Instruction and Assessment**
- 7. School Organization**
- 8. Technology**

A committee made up of the assistant superintendent, central office professional staff, campus principals, teachers, parents, and business and community representatives was convened to examine each area listed above. The committee examined and discussed data and made a prioritized list of needs for each area. The committee then assisted the superintendent's designee in summarizing the needs and writing the comprehensive needs assessment.

1. Demographics

Data Sources Reviewed:

- 2020 Fall PEIMS Reports
- 2019 State Accountability System data
- 2019-2020 Texas Academic Progress Report
- 2019-2020 Accountability Rating: Not Rated: Declared State of Disaster

The following chart outlines the numbers and percentages of students by grade.

Groveton Independent School District

Students	Count	Percent
Total	761	100.0
Pre-Kindergarten	44	5.8
Kindergarten	50	6.6
Grade 1	46	6.0
Grade 2	47	6.2
Grade 3	59	7.8
Grade 4	63	8.3
Grade 5	53	7.0
Grade 6	57	7.5
Grade 7	63	8.3
Grade 8	61	8.0
Grade 9	59	7.8
Grade 10	51	6.7
Grade 11	60	7.9
Grade 12	48	6.3

Student Demographics

- African American 6.4%
- Hispanic 14.2%
- White 75.3%
- American Indian 0.1%
- Asian 0.7%
- 2 or more Races 3.3%

Notable Data:

- Over the past 3 years, the Hispanic population has averaged 13.8%
- 69.4% of students are economically disadvantaged
- 24.4% of students are considered At-Risk
- 27.7% of students are enrolled in CTE courses
- 15.6% of students qualifies for Special Education services
- 1.4% of students are ESL
- 8.3% of student are GT

Summary of Identified Needs

- a) Meet the needs of economically disadvantaged students
- b) Increase the number of college-ready graduates
- c) Create awareness and importance of post-secondary education to all students.
- d) Increase the number of CTE certifications of students

2. Student Achievement

Data Sources Reviewed

- 2019 State Accountability System data (Federal) *All Districts were not rated in 2020 due to COVID-19
- 2019-2020 Texas Academic Performance Report (State)

A) According to the 2019 State Accountability System, Groveton ISD received an overall letter grade of “B”.

Student Achievement – B – How much students know and are able to do at the end of year.

STAAR Performance- 82

College, Career, and Military Readiness- 94

Graduation Rate- 75

Overall -85

School Progress- A – How students are performing over time and compares progress to similar schools

Academic Growth- 82

Relative Performance- 91

Overall- 91- the higher of growth or performance is used

Closing the Gaps- B- How well different populations of students in the district are performing

Grade Level Performance- 73

Academic Growth/Graduation Rate-0

Student Achievement- 100

Overall – 84

Even in schools where many students perform well, performance gaps can exist among different groups of students. The Closing the Gaps domain looks at each group of students separately and sets achievement targets for those groups along four different areas. **The more targets that are met, the more points are awarded.**

B) According to the 2018-2019 Texas Academic Performance Report, Groveton ISD received an accountability rating of “B”.

Class of 2019	23	-	*	22.6

Summary of Identified Needs:

- Continue to follow a vertically aligned curriculum district-wide. **PBM
- Staff development in effective teaching strategies.
- Professional development on strategies of instructional effectiveness in STAAR/EOC objectives.
- Determine online resources for English Language Learners
- Increase the number of student graduating with endorsements under the foundation plan.
- Encourage male CTE students to complete nontraditional courses
- Increase the number of students participating and placing in academic

3. Attendance/Completion Rate/Dropout Rate

- 2019 State Accountability System data
- 2019-2020 Texas Academic Performance Report

Attendance Rate	State	Region 6	District
2014-2015	95.7%	95.9%	95.7%
2015-2016	95.8%	96.1%	95.7%
2016-2017	95.7%	96.1%	95.6%
2017-2018	95.4%	95.8%	95.4%
2018-2019	95.4%	95.9%	95.6%

2014-2015	0.3%	0.2%	0.0%
2015-2016	0.4%	0.1%	0.0%
2016-2017	0.3%	0.1%	0.0%
2017-2018	0.4%	0.2%	0.0%
2018-2019	0.4%	0.2%	0.0%
Annual Dropout Rate (Grades 9-12)			
2014-2015	2.1%	1.5%	0.9%
2015-2016	2.0%	1.4%	3.4%
2016-2017	2.0%	1.4%	3.4%
2017-2018	1.9%	1.6%	1.7%
2018-2019	1.9%	1.3%	1.3%

Summary of Identified Needs:

- Develop a 4-year plan for each student.
- Provide general construction classes for at-risk high school students.
- Offer credit recovery/summer school for students who need remediation/accelerated instruction. **PBM
- Provide before/after school tutorials.
- Provide DAEP program.
- Analyze staff survey.
- Decrease annual dropout rate.
- Increase the number of student graduating with endorsement and with CTE certificates.
- Encourage students to earn graduation endorsement

j) A large % of 4th graders did not meet standard on Reading, Math and Writing STAAR ****PBM**

4. Staff Quality, Recruitment and Retention

Data Sources Reviewed:

- State Teacher Certifications
- Job Applications
- Teacher Turnover Rate
- 2019-2020 Texas Academic Performance Report

Groveton ISD employs 127.9 staff members: 64.8 Teachers, 24.5 Educational Aides, and 30.4 Auxiliary Staff. Groveton ISD has two campuses: Groveton Elementary, grades Pre-K – 5, serves students 362, Groveton Junior High/High School, grades 6 – 12 serves 399 students.

Groveton ISD advertises job vacancies using the school website, posting on the TASA website and through ESC Region 6. Campus administrators interview job candidates and make their recommendations to the superintendent.

Summary of Identified Needs:

- a) Use district and professional web sites to attract qualified teaching candidates.
- b) Commit 5% of Title I funds to help teachers become highly qualified.
- c) Pay \$5000 stipend to attract/ retain certified teachers in the area of math, science, foreign language.
- d) Use of ESSER funds to pay salaries and retain staff to address the student academic learning loss due to COVID pandemic

5. Curriculum, Instruction and Assessment

Data Sources Reviewed:

- DMAC Data
- Summary of Special Programs
- Benchmarks
- PBMAS

Dyslexia: There is one certified dyslexia specialist for the district who has had training on the use of the DIP program for direct instruction. This specialist is also responsible for monitoring the progress of identified dyslexic students by accessing student grades/attendance, conferencing with students and parents and mentoring/supporting teachers who have identified dyslexic students in their classrooms. All students identified with dyslexia are referred to our 504 Coordinator for placement into our district 504 or SPED program.

Special Education: Groveton ISD continues to serve identified students through the special education department. Presently, across the two (2) campuses five teachers work with SPED students. Two of the six are currently working to obtain state certification special education. On each campus, teachers and principal's work together to identify need specific professional development for teachers to attend. The integration of technology-based programs used in conjunction with classroom instruction to remediate weak areas of identified objective mastery (data gathered through DMAC Student Assessment module) is a recognized need.

Gifted and Talented: Groveton ISD has a plan for the identification and placement of gifted and talented students. This plan follows the guidelines set forth by the state. Students in kindergarten through grade 5 are served through a pullout program and meet once a week with a teacher trained in the education of gifted and talented students. Two teachers serve students in grades six through twelve – one serving 6th -8th grade students and one serving 9th-12th grade. The program for both Junior High and High School is a pullout program with the emphasis on enrichment of the standard curriculum. High school students that choose to participate are able to enroll in Dual Credit courses to acquire college credits while in high school.

ESL/Bilingual: Groveton ISD has a growing LEP population. At present the identified and served population PreK-12 is 11 students. Groveton ISD has one (1) ESL certified teacher who serves both campuses. This teacher instructs all ELL students, and monitors those who have exited the program as appropriate. Groveton ISD has several students that are actively learning English. These students are spread out throughout several grade levels from Pre K through Junior High. 14 students are being monitored while they are enrolled in regular English classes.

Title I: The Title I program is school-wide on both campuses. The district holds 2 meetings each year for the parents to explain the Title I program and receive input from the parents. Throughout the district there are 4 instructional aides working under the Title I program which helps classroom teachers to provide additional individualized and small group instruction to students. The district schedules two (2) open houses each year, one in the fall and one in the spring in addition to the parent night, which is held in conjunction with the library book fair. Before and after school tutorials are held at the Jr. High/High School and after school tutorials at the elementary school for students who are behind or struggling and need additional help. At the junior high school an additional period has been added to the schedule in Reading/Language Arts and Mathematics to provide students with increased time in these areas. Summer school is offered to at risk students K-8 who have failed a class or who have failed a part of the STAAR Assessment. STAAR Prep courses are offered to any High School student who fails to meet the passing requirement for EOC exams during the summer.

State Compensatory Education: Groveton ISD uses state compensatory funds to create remedial classes for students that have failed one or more of the state assessment tests in the areas of Mathematics, Reading/ELA and Science. These classes are built into the schedule, local credit is offered,

and students receive accelerated, intensive instruction in the areas where state standards are not met. DAEP classes are used to promote dropout prevention. A teacher will be hired to run the Grad Point Lab in the summer to promote credit recovery.

Career and Technical Education: Groveton ISD offers classes in seven (7) areas of Career and Technology education. The high school courses offered are in agriculture, cosmetology, building and trades, auto mechanics, science, business and home economics. At the junior high introduction to career investigations and general construction trades are classes offered for at risk students.

Summary of Identified Needs:

- a) Administer benchmark assessments to measure objectives that have been mastered and monitor progress.
- b) Continue to implement a district-wide vertically aligned curriculum through TEKS Resource.
- c) Provide training for teachers of special population students taking state assessments.
- d) Provide vocational classes for at-risk students.
- e) Provide additional instructional assistance for all students who were not successful on STAAR and EOC exams.
- f) Increase the percentage of students being successful on STAAR Reading exams
- g) Utilize ESSER funds to support staff address learning loss due to COVID-19.
- h) Provide RTI for the at-risk population
- i) Provide peer tutoring for struggling students in HS/JH
- j) Increase the number of students graduating with Industry- Based Certifications in CTE courses.
- k) Work to decrease African American special education representation **PBM
- l) Provide training to prevent disproportionality amongst special students. **PBM
- m) Purchase additional technology to support a 1:1 student to device ratio reducing exposure to COVID-19 and addressing academic learning loss due to COVID-19

6. Family and Community Involvement

Data Sources Reviewed:

- Sign in Sheets
- Event Calendar
- Notes sent home
- Parent Surveys

Groveton ISD is a rural agricultural/ranching community in East Texas. Groveton ISD has a large elementary volunteer program, and strongly encourages parents and community members to become involved through booster clubs. The school-based activities provide many opportunities for both formal and informal parental contact. Open House, Parent Night at the Library and opening of the parent portal to give parents on-line access to

their child's grades is several methods used to increase parental awareness. Notes home and phone calls from administrators and teachers help parents stay informed about their child's performance in school. Groveton elementary will create family nights to promote family involvement with their child's education.

Each year the district will host a Title I planning meetings to discuss with parents the goals and objectives of the Title I program and the impact of those goals and objectives on Groveton ISD students. Parent, student and teacher compacts will be signed and returned to the school.

In the spring of the year parent surveys will be sent home to get feedback from parents on how the school is meeting the needs of their children. ESC Region 6 will disaggregate the data from these surveys and report it back to the district. The site-based committees will review the results and make decisions based on the parental feedback.

Summary of Identified Needs:

- a) The library will host two parent nights each school year.
- b) Parent, student and teacher compacts will be signed and placed on file.
- c) Promote parent volunteer program, Booster clubs and Project celebration for parents to become involved
- d) Promote Health Fair
- e) Provide a meet the teacher night in the fall
- f) Provide financial aid workshops to all seniors and their families for college
- g) Provide Veterans Day program
- h) Provide community service projects for students

7. School Organization

Data Sources Reviewed:

- **Master Schedules**
- **Site-based committee meeting minutes**
- **District Improvement Committee minutes**

Groveton ISD has a typical organizational structure. The principal of each campus creates the class schedule, assigns teachers to classes and is the instructional leader of the campus. The elementary and junior high/high school campuses have an assistant principal who is in charge of discipline. All campus staff report to the principal and the principal, in turn, report to the assistant superintendent and/or superintendent.

Groveton ISD has 1 certified librarian who runs a library on each campus. Books purchased for both campuses are selected through the requests of teachers or students. Both campuses have access to Accelerated Reader from Reading Renaissance so book purchases are also guided by titles that are included in this program. The library works closely with the teacher on each campus to help strengthen the reading program.

On each campus and at the district level site based teams made up of all stakeholders in the educational process are charged with making decisions and recommendations that will affect the educational process.

8. Technology

Data Sources Reviewed:

- Staff Training
- Inventory of hardware/software

Technology has become an integrated part of the teaching and learning process. The effective use of technology is a fundamental skill needed by students, teachers and administrators. Effective use of technology happens when the staff is trained, has the equipment necessary and can then implement technology as a tool to strengthen the teaching learning process. Teachers and administrators have completed the School Technology and Readiness surveys to analyze the effectiveness and utilization of existing technology components. A three-year plan for technology is on file with the state and continues to be monitored and revised as needed.

Presently, Groveton ISD has 2 independent computer labs, 1 independent chromebook lab and 16 mobile chromebook carts. All classrooms K-12 have been equipped with Promethean smart boards and projectors. Pre-K classrooms have been equipped with Boxlight SmartPanels. All classrooms are wired and have at least 1 computer and phone for teacher use. Software for reinforcement and remediation in all the core areas and all grade levels is available for all teachers to use. Currently, Groveton ISD is running a 1GB/s internal network to all buildings on campus with the exception of the transportation office. Internet speeds are rated at 200MB/s.

Summary of Needs Identified:

- a) Utilization of ESSER funds to purchase new student devices (laptops/tablets/chrome books) to augment and replace current, older, and nonfunctioning student devices.
- b) Update classroom instructional technology (Old Promethean Boards/Projectors)
- c) Use of ESSER funds to purchase additional servers and server storage to improve datacenter redundancy and availability addressing the student academic learning loss due to COVID-19.

Groveton ISD

Goal 1: All students will reach a high standard of achievement, as measured by STAAR/EOC, in reading/language arts and Mathematics.

Objective 1.1: Groveton ISD scores (STAAR/EOC) will meet or exceed the state standard.

Activity/Strategy	Person(s) Responsible	Timeline	Resources	Evaluation
1. Provide additional instructional assistance to at-risk students in K-12.	Principal, Teacher(s)	Each 6 Weeks	SCE: FTE- Rural Low Income School Title I	Formative: Report Card Grades Summative: TAKS/STAAR/EOC Scores, Pass/Failure Rates
