

### **New Infinite Campus Parent Portal App**

The Perry County School system is now supporting the new Infinite Campus Parent Portal App for your (or your child's) schedule, grades, assignments and attendance data using the Infinite Campus Mobile Portal! This universal app gives students and parents the same instant access to their data using an iPad, iPhone or iPod Touch.

Just go to iTunes to download this FREE app to your computer. Once installed, the app will first ask you to insert your school's parent portal URL, which is <https://infinitecampus.perry.kyschools.us/campus/portal/perry.jsp>. After inserting the URL, you will then be asked your username and password. All of your student's information will be at your fingertips!

If you currently don't have a parent portal username and password, simply call the school or stop by to sign up today!

### **Help out the Yearbook Staff!**

Help the yearbook staff! PCC yearbook staff is looking for your pictures! Have a great picture from Homecoming or JROTC? Set up your own account on Replayit. You will set up your account, then start uploading, then look for YOUR pictures in the yearbook! Look for this link on our homepage. If you have any questions, please email [lexie.centers@perry.kyschools.us](mailto:lexie.centers@perry.kyschools.us)
