

Using OneDrive

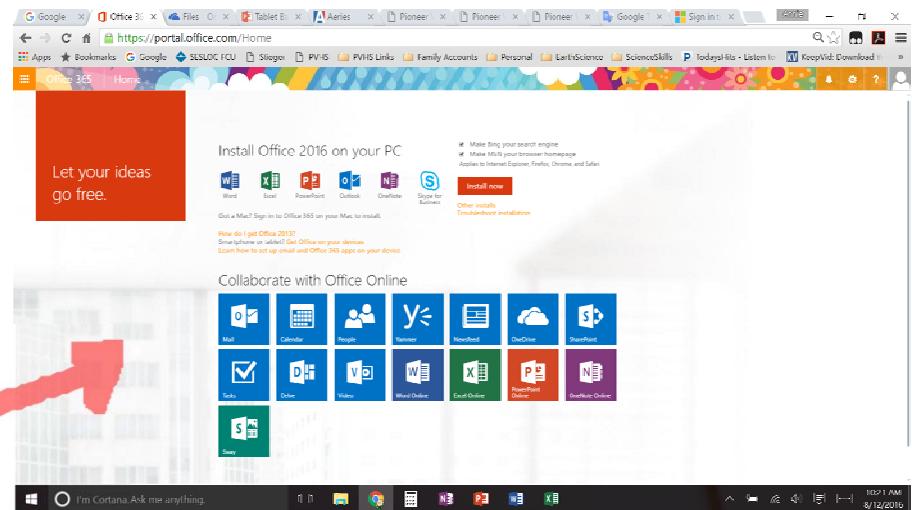

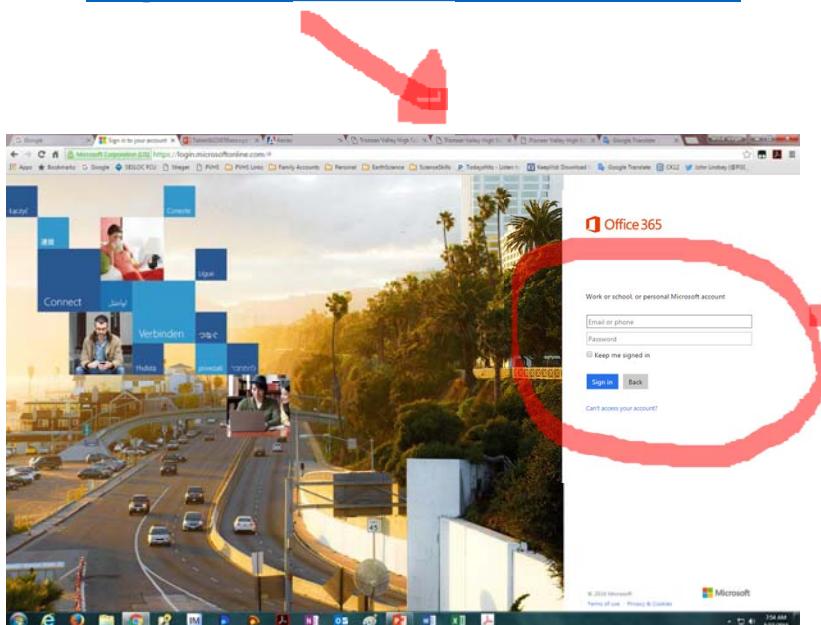

Office 365

- Can be linked from school website (www.pvhspanthers.org) and selecting the "email/office 365" button.

The screenshot shows the homepage of the Pioneer Valley High School website (www.pvhspanthers.org). The page features a dark header with the school's logo and name. A sidebar on the left contains links for various school departments like Information, Academics, Activities, Athletics, Parents, Resources, and Student Services. The main content area includes a large photo of graduates, news articles, and a 'School Events' section. A green circle highlights the 'Email Office 365' button located in the bottom right corner of the page.

Office 365

- Can be directly opened using the "login.microsoftonline.com"

- You need to download and install Office 2016.
 - If you already have Office 2013 installed, you do not need to install 2016.

Office 365

Office 365

It looks like elliot@gcits.com.au is used with more than one account. Which account do you want to use?

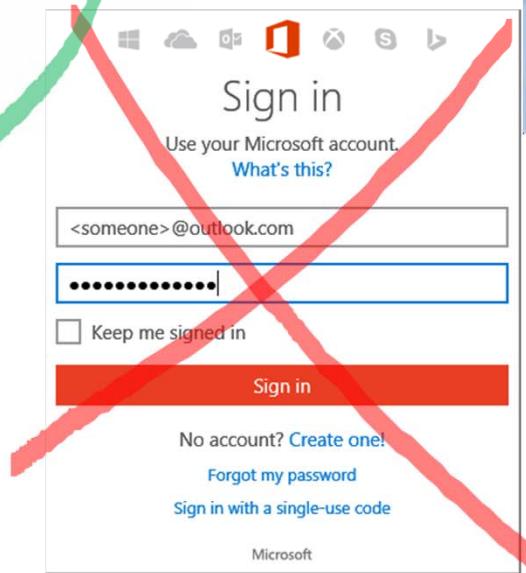

Work or school account
Created by your IT department
elliot@gcits.com.au

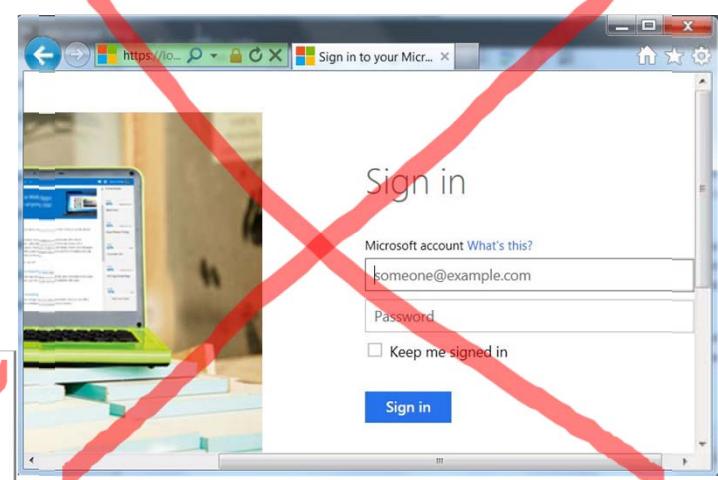

Personal account
Created by you
elliot@gcits.com.au

Back

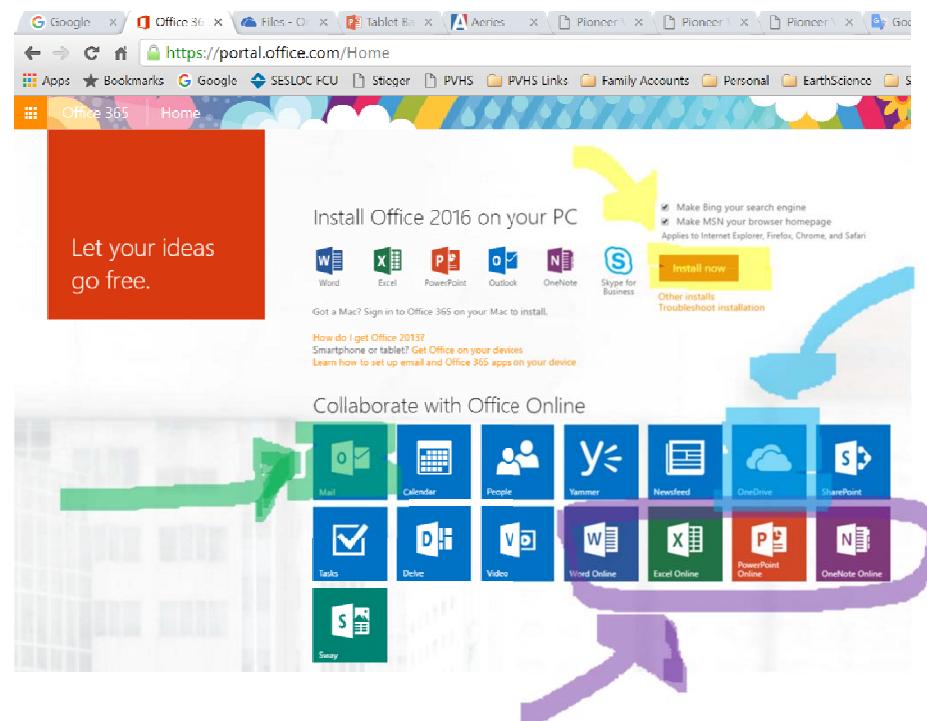

Remember to always choose "work or school account"; never choose "personal account"

These images show the personal account for office 365. You will not be able to log in this way.

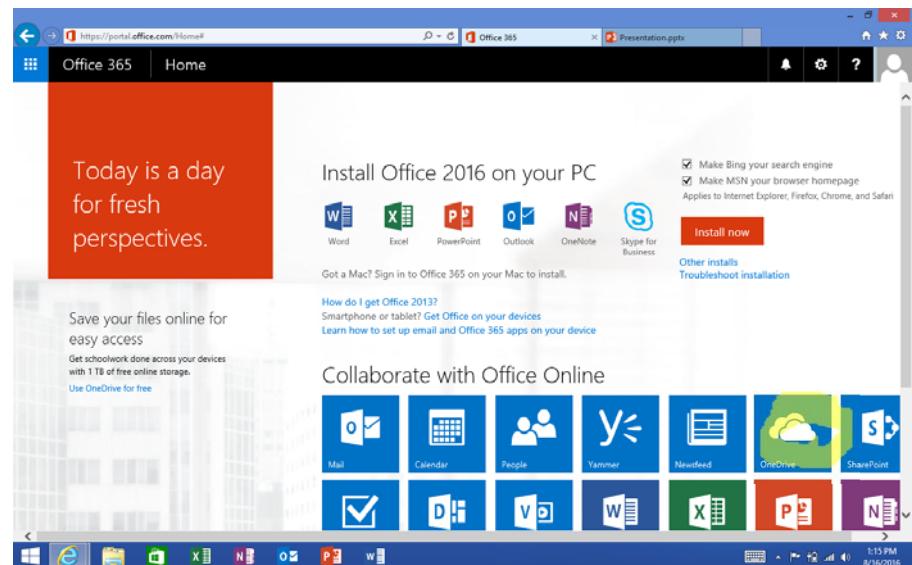

Office 365

- Within Office 365, this is your homepage.
 - You can **install office** on your tablet
 - You can **check your school email**
 - You can **open/create files**
 - You can **use online versions of Word, Excel, PowerPoint or OneNote to edit OneDrive files**

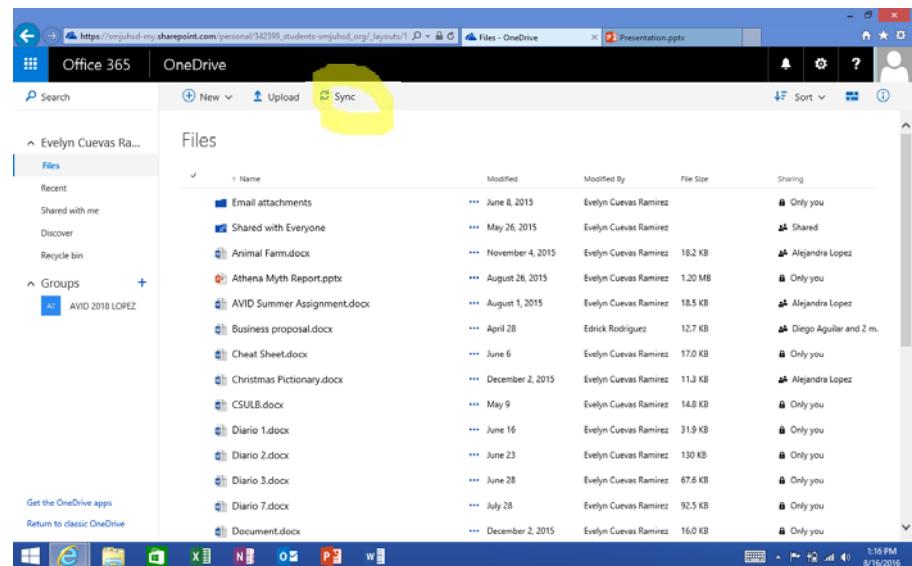

Using OneDrive

- One Drive is the name for Microsoft's cloud storage.
 - It works similarly to Google Drive or iCloud.
- Before using OneDrive the first time, you will need to set it up.
 - Click (or long press) on “OneDrive”.

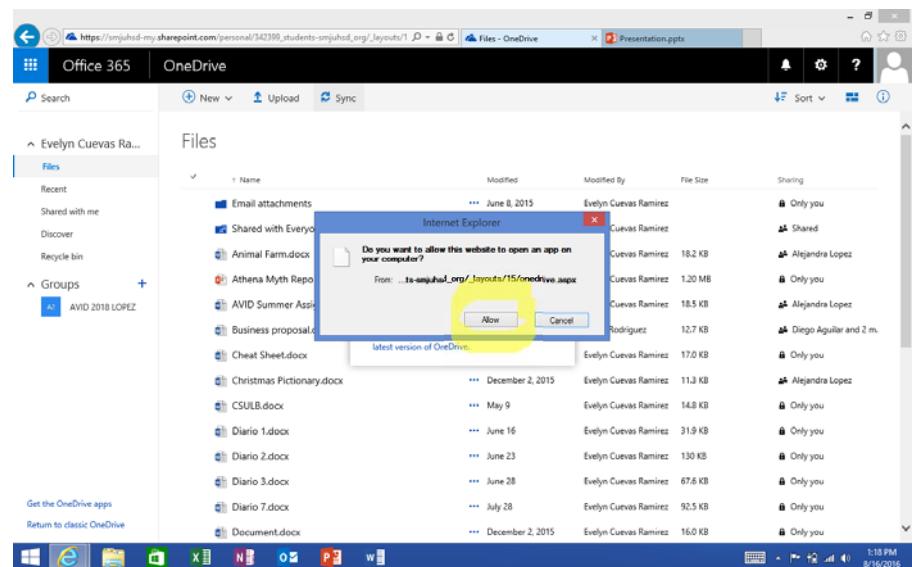

Syncing OneDrive

- Along the top there are three choices: new, upload, sync.
- Choose sync.

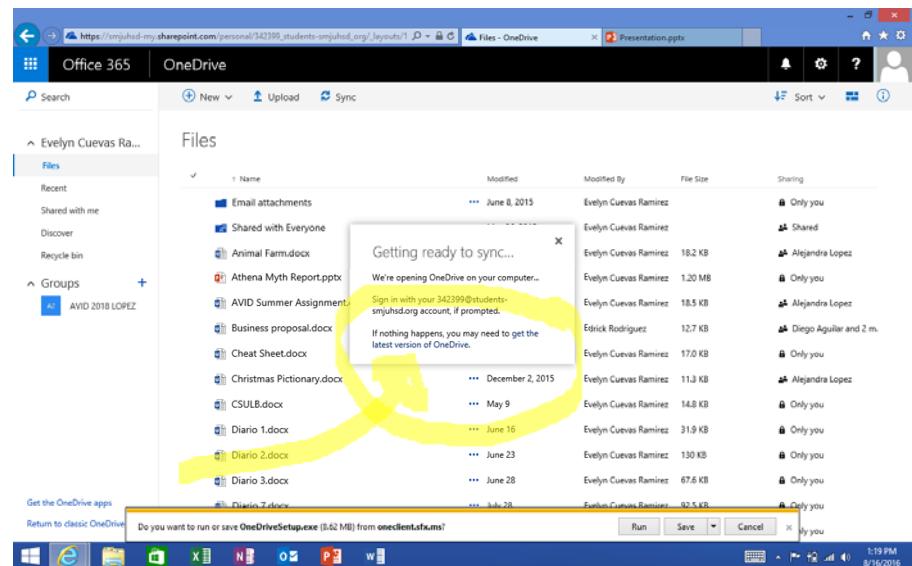

Syncing OneDrive

- If you get a pop up window choose **Allow**

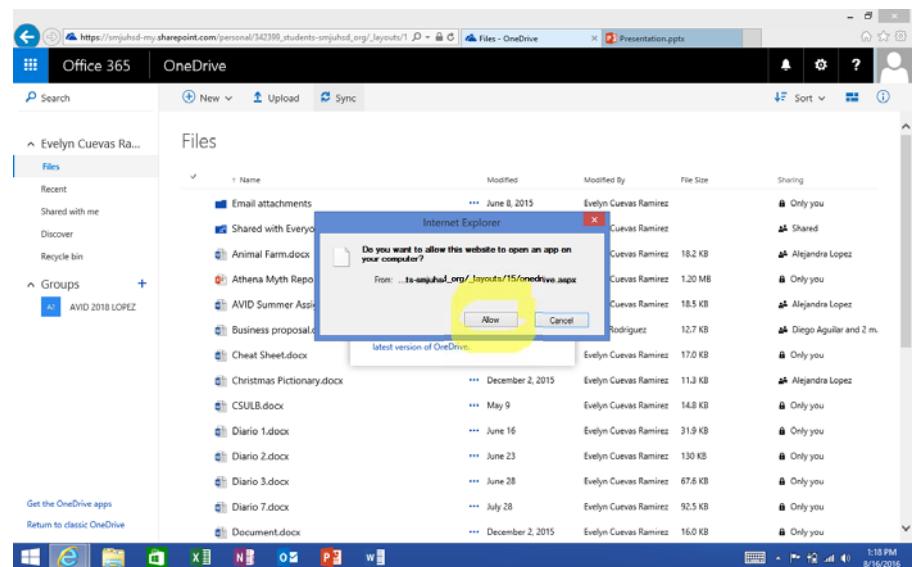

Syncing OneDrive

- If you get this popup menu AND nothing happens, you need to update your OneDrive so **click the link provided**.

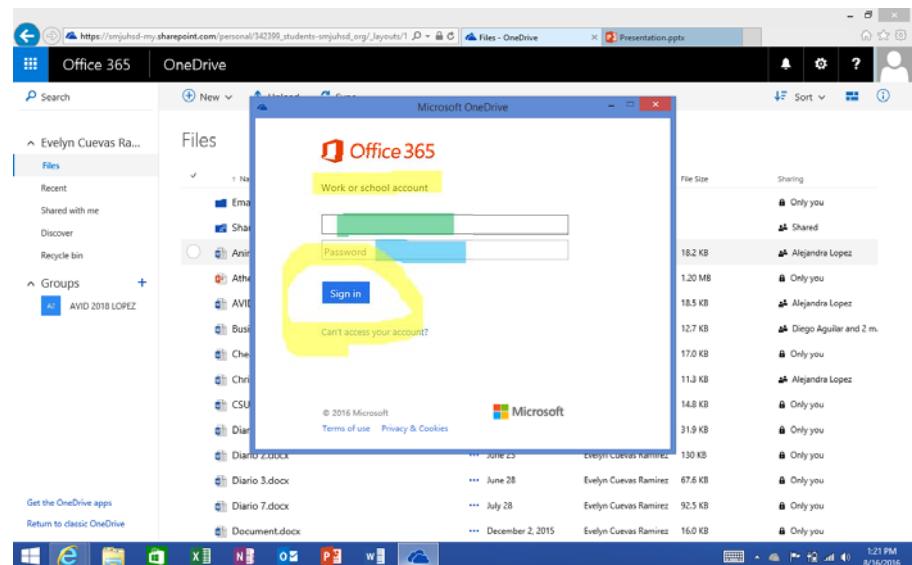

Syncing OneDrive

- If you get a pop up window choose **Allow**

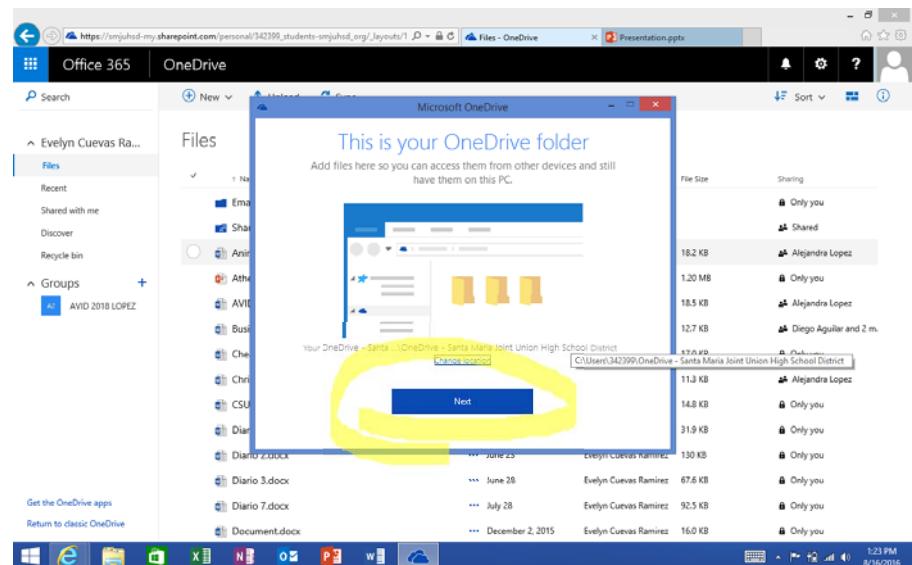

Syncing OneDrive

- You will need to login in to your school account.
- Email:
<123456>@students-smjuhsd.org
- Password:
Ab123456

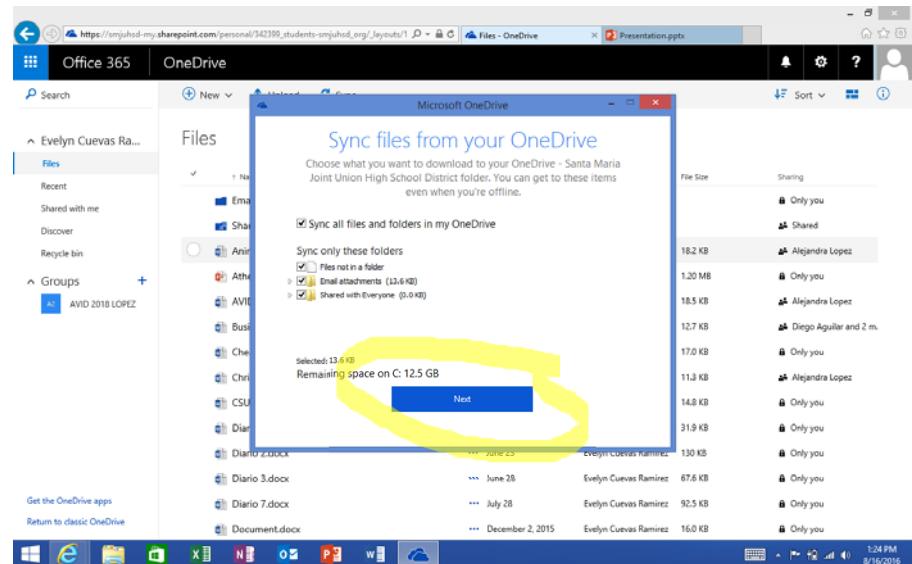

Syncing OneDrive

- At this screen, choose **next**.

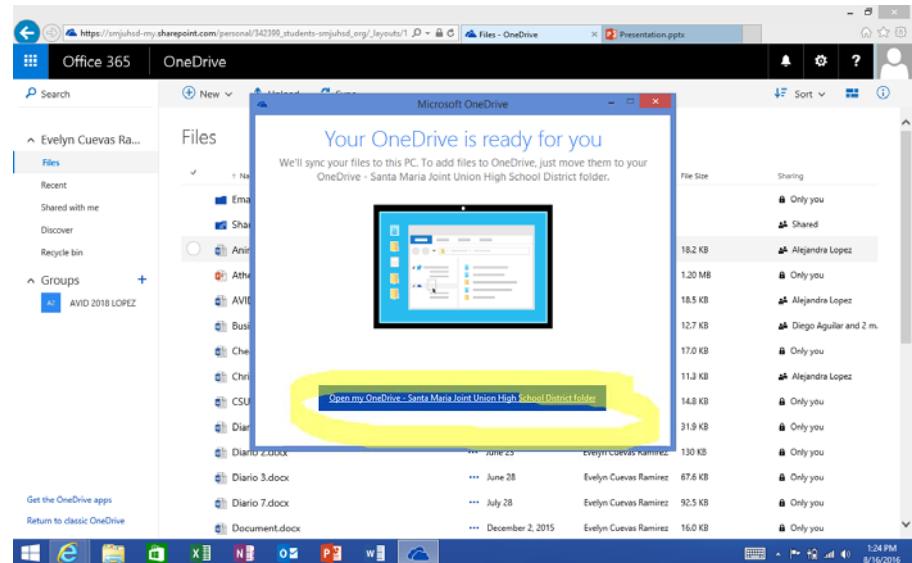

Syncing OneDrive

- At this screen, choose **next**.

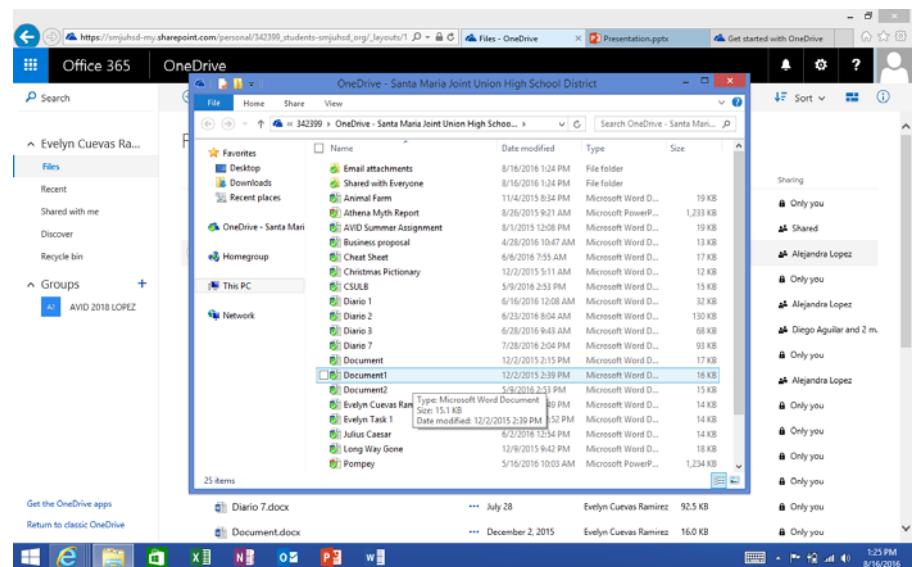

Syncing OneDrive

- At this screen, choose “open my OneDrive...”.

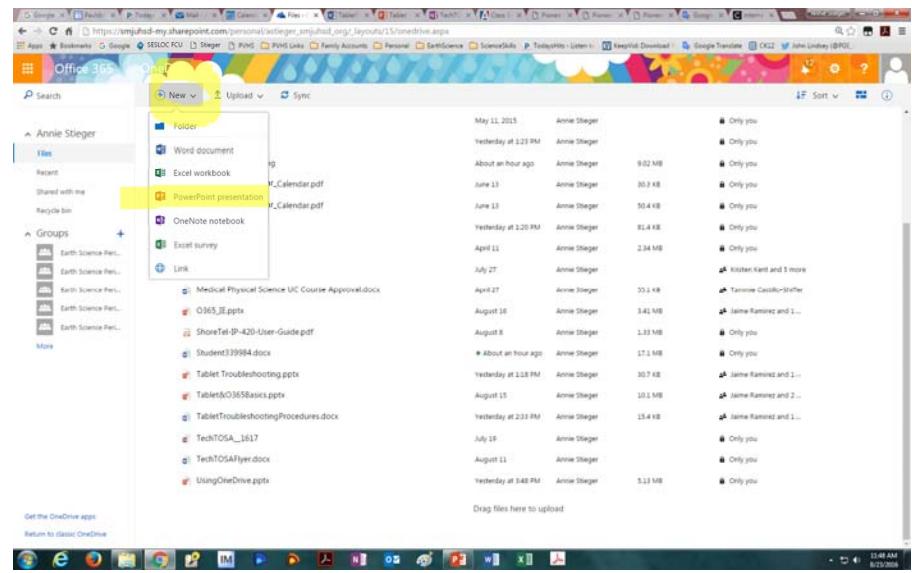

Syncing OneDrive

- Lastly, there should appear a pop up window showing that all your OneDrive files are now saved on your tablet.

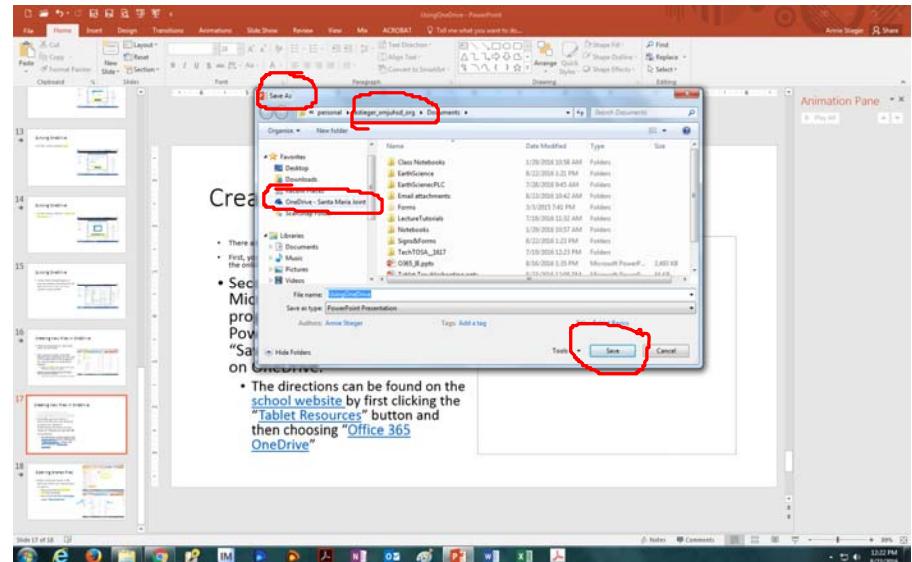

Creating New Files in OneDrive

- There are two ways to save your work on the cloud.
- First, you can create a new file directly from OneDrive or from one of the online Microsoft programs (ex. Word Online or PowerPoint Online)
 - Click on “new” then choose the type of file you want to create
- Secondly, you can create a Microsoft file from the desktop program (ex. Word or PowerPoint) and then use the “Save as” feature to save the file on OneDrive.
 - The directions can be found on the school website by first clicking the “Tablet Resources” button and then choosing “Office 365 OneDrive”

- **Secondly, you can create a Microsoft file from the desktop program (ex. Word or PowerPoint) and then use the “Save as” feature to save the file on OneDrive.**
 - The directions can be found on the [school website](#) by first clicking the “[Tablet Resources](#)” button and then choosing “[Office 365 OneDrive](#)”

Opening Shared Files

- When someone shares a file with you, there are several ways to open it.
 - You can use the link from the email you received.
 - You can look directly in One Drive under “Shared with Me”

The image contains two screenshots of Microsoft Office 365 interfaces. The top screenshot shows an Outlook inbox with an email from 'Laura Baines' sharing a folder named 'Per 2 Biology 2016-17'. A yellow circle highlights the link 'Go to Per 2 Biology 2016-17'. The bottom screenshot shows the 'Shared with me' section in OneDrive, listing files like 'Adjunct Duties 2016-2017' and 'Per 2 Biology 2016-17'. A blue arrow points to the 'Shared with me' tab, and another blue arrow points to the 'Per 2 Biology 2016-17' folder entry.

Screenshot 1: Outlook inbox (Top)

Laura Baines has shared 'Per 2 Biology 2016-17'

Screenshot 2: OneDrive 'Shared with me' (Bottom)
