A. JANUARY 2024 IS THE NEW JERSEY SCHOOL BOARD RECOGNITION MONTH

Paulsboro Public Schools Staff and Community want to thank our Board Members for their vital role they serve in the lives of our children's education.

New Jersey's local boards of education play an essential role in our students' lives. They oversee 580 school districts, which in turn, operate nearly 2,500 public schools and provide educational services to nearly 1.4 million children. They set the policies for our schools and make important decisions affecting curriculum, financing, and staffing.

New Jersey's local school board members devote countless hours - with no compensation - to the oversight and advancement of our children's education.

January 2024 is the 23rd annual School Board Recognition Month in New Jersey, a time to raise public awareness of the role and responsibilities of local boards of education and to thank your community's school board members for their efforts.

Thank you!
