READ THIS.—If the following report is correct, the totals of receipts and expenditures will balance. Care should be taken to enter each amount under its proper heading, and to enter no amount twice. If money other than the funds of the district is advanced by any one in paying teacher or for other expenses, it should be included in the item 7 Receipts "Received from Loans." It is really money borrowed, and should also be included in the "Indebtedness" (item 16 above.) Do not include bills unpaid at close of year, in Item 16. Do not foot up the columns alike unless they actually add up alike.

RECEIPTS.		EXPENDITURES.	
READ THIS—Insert nothing here that has not come into the treasurer's hands; give exact amount of each fund separately and put nothing under any head save what the head indicates. Money advanced by any person, or loaned, or overdraft at the bank, should be placed under head "from loans." Receipts. Money remaining in the hands of the township treasurer has not been "received" by the district and no account should be here taken of it; include that in "Amount due the district" (item 17 above).		READ THIS—1 and 2 expenditures should show the total amount paid teachers during the year, including all that was paid on balance due for previous year. Do not include what may still be due. The total wages of the year is shown in item 20 above. Do not include any part of teachers' wages in item 7 expenditures. Include nothing in items 1-7 except what has actually been paid out.

READ THESE NOTES.

1. If the district is fractional, write the names of the children in each township separately under the name of the township, beginning with that township in which the schoolhouse or site is situated. A separate statement must be made to the clerks of the several townships in which the district is in part situated, giving the number of children five years of age and under twenty years residing in that part of the district lying within their respective townships.
2. If there is not space on this page sufficient to contain the names of all the children in the district, write the remainder upon ordinary foolscap paper, properly ruled, and attach the same to this sheet. Do not use additional blanks.
3. The ages of the children must be given as they are on June 1, 1915. If a child removes from the district during the fifteen days preceding June 1, he should be enrolled in the district in which he is resident June 1.
4. Place opposite the names of pupils enrolled in the 7th or 8th grade, in the column provided, the number of the grade in which they have been enrolled during the year ending July 12, 1915. The total must agree with items 2a and 2b, front of blank.
