

OHS NEWS

WELCOME

We would like to remind parents that on Wednesdays after spring break, we will have campus-wide after school tutorials from 3:45-4:15 to allow students to meet with their teachers. We want our students to stay on track with their assignments and not fall behind this busy spring semester. Attendance is very important and we want students here every day, every period to keep up with assignments and to prepare for EOC's. The grade level with the highest attendance rate for the 4th six weeks, were the sophomores. Congratulations! Thank you parents for making attendance a priority. Please reach out to your student's teacher if you have any questions or concerns. Your partnership is important to us.

UIL CX DEBATE

The UIL CX Debate team kicked off District Academics with an outstanding performance, earning top honors and advancing to the state competition. After interviewing Joseph Powell, he shared that dedication and truly understanding his arguments were key to his success. These are skills he plans to carry into the future to become an even stronger communicator. Congratulations to our exceptional teams: 1st place: Jeriah Cisneros & Joseph Powell, 2nd place - Cayden Smith & Von Barrera, and 4th place - Mareli Martinez & Khloe Lopez. What a great accomplishment!

NEW STAFF

OMAR GARCIA

How many years have you been teaching?
I taught for 17 years in public education.
What university did you attend? What is your degree?
Texas A&M University Corpus Christi with a Bachelor of Science in Kinesiology.
