KINGSTREE HIGH SCHOOL LADY BLAZERS VOLLEYBALL SEASON PREVIEW

The 2025 volleyball season is upon us, and the excitement is palpable. The varsity team is led by a strong senior class of 10 players who bring leadership, experience, and determination to the court. Many of these athletes have been competing at the varsity level since middle school, and they are eager to finish their final season on a high note. With their talent and guidance, the Lady Blazers are focused on competing for a Region Championship and making a deep playoff run.

The junior varsity (J.V.) team, coached by Coach Shaniqua Tisdale, returns with 7 players from last season who are ready to grow, compete, and represent the future of Blazer Volleyball. Their hard work and dedication are already showing great promise for the continued success of the program. Head Coach Ameisha E. Owens and Coach Tisdale are proud of how far the Blazer Volleyball program has come and are even more excited about what lies ahead.

Come out and support the Lady Blazers as they open the season—your energy makes all the difference! Let's fill the stands and cheer them on to victory!

The mission of Williamsburg County School District is to prepare students for college, careers, and citizenship in a global society.
