***Please hang flyers, posters in the designated posting areas** on campus. We are starting some paint projects to have many of our walls and doors repainted and the leftover tape on the walls/doors from past postings is a killer. Please post information only in the designated "red" areas around campus. Thank you.

***Picture retake date has been changed** from September 20th to **October 11th**. (This was due to Life Touch not being able to hold their originally scheduled date..... not our fault!)

Kudos:

Friday evening the counseling department led by DC Victoria Lopez and our senior counseling team put on our first annual A-G Kick Off Celebration. The event invited all seniors currently on track to be A-G completers and their parents to a night of dinner and lots of information about A-G requirements and college entry. The message to the students and their parents was to finish the year as a completer so as many options are open to the student as possible. Every year we lose a large number of senior potential completers throughout their senior year. This year we currently have 290 students on track for complete. Retaining all these student would cause us to shatter our previous class record of just over 200. The purpose of the evening was to get students, teachers, and parents all working together to have these seniors to realize that every grade matters your senior year. It is all our hopes that the night was successful and that we see all of these 290 students retain their A-G status. Thank you senior team for going the extra mile to put on this event and emphasize the importance of seniors finishing strong!!
