

7th Grade Newsletter

Week of February 3rd, 2025

Mathematics

Mrs. Jarrett

mjarrett@rappahannockschools.us

Blocks 1&3 - We have begun our unit on Proportional Reasoning of Similar Figures. The students are learning to solve problems and justify relationships of similarity using proportional reasoning..

Block 2 - We have begun our unit on solving multistep linear equations. The students are learning to write and solve multistep equations with one variable, including word problems. .

Questions or concerns? Please send me an email. :)

Civics

Mr. Hummill

mhummill@rappahannockschools.us

We are studying the federal government. We will have a quiz on Tuesday on the powers of each branch and checks and balances. Students will have a study guide and notes in their tree folder.

Please let me know if you have questions or concerns.

Language Arts

Ms. Nutt

snutt@rappahannockschools.us

This week, we are finally beginning to read *Treasure Island* by Robert Louis Stevenson.

We will have a vocabulary quiz on the BIO list. It is posted in Google Classroom.

Students should be reading every night to gradually increase their reading comprehension, fluency, and vocabulary. Even if it's only for ten minutes... read!

Please reach out with any questions or concerns.

Reminders

February 12th - Interims go home

February 14th - Early Release

February 17th - Presidents Day No School

February 18th - Parent Conferences (no students)

Please be sure your child is reading every day.
