Tri-Township had a great weekend at the State Robotics Competition in Indianapolis! Our students represented the school and community extremely well, demonstrating creativity, teamwork, and impressive problem-solving skills throughout the competition.

To top it off, team 46390C brought home a Judges Award, a great recognition of their hard work and innovation, AND

THEY EARNED A SPOT AT THE WORLD ROBOTICS COMPETITION IN APRIL!!  
WAY TO GO!!!!

Congratulations to our robotics teams and their coaches on a fantastic showing—we are proud of you!
