

## STUDENT EXPECTATIONS

To promote academic success and preparedness among dual enrollment students, the following requirements for continuous eligibility apply to Reid State's dual enrollment students:

- Students must earn a grade of C (70) or better in all attempted college courses.
- Students who fail to meet this minimum grade requirement or who withdraw from a course will be suspended from the program for a minimum of one term. This one-term suspension may not be served over the summer.
- The students may not re-enroll until the suspension has been served.
- For re-entry, the student must reapply to the program and must meet the minimum grade point average requirements.

*Dual enrollment students should consult with their school counselor to ensure they are also meeting their high school's continuous eligibility policies.*

## SUCCESS STORY

*"Reid State showed me what a college family looked like well before I even stepped on campus. I'm thankful I started with dual enrollment because I got a head start on the college experience."*

*-Kehonia Bradley, Class of '26*

## SIGN UP TODAY!

Students are encouraged to finalize their applications early to secure their course selections. Course availability for any student is not guaranteed until the Dual Enrollment Office has registered the student in the course.

Once a student has been admitted to our program, our office will communicate with them using their alabama.edu email address. At the beginning of each semester, our office will send enrollment verifications to all high school counselors with students enrolled for that term.

## HOW TO APPLY

Apply online at [www.reidstate.edu/dualenrollment](http://www.reidstate.edu/dualenrollment) or click the QR code. Be sure to complete the "Dual Enrollment Application"

# DUAL ENROLLMENT

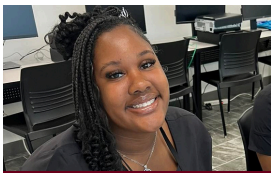

STUDENT SERVICES

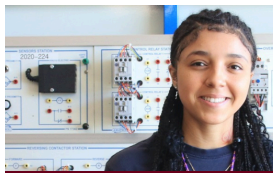

Reid State's Dual Enrollment Program offers technical training courses to public, private and homeschooled high school students as early as the summer after their ninth grade year. These courses offer college credit and career credentials that become a part of the permanent student record and college transcript.

## CURRENT TECHNICAL PROGRAMS

In addition to General Studies programs, Reid State partners with several area high schools to provide dual enrollment programs both on and off our campus. Connect with your local high school counselor or with a Reid State advisor to learn more about which programs are offered through your high school.

**COSMETOLOGY**

**INDUSTRIAL ELECTRICITY/ELECTRONICS**

**HEALTH SCIENCES**

**WELDING**

## SCHOLARSHIPS

Scholarships for tuition, books and supplies are offered to dual enrollment students through the Alabama Future Workforce Initiative (AFWI). This scholarship is currently awarded to all dual enrollment students who complete admission requirements and meet the minimum qualifications as a dual enrollment student.

## STUDENT SERVICES

Dual enrollment students have access to the same student services as all other college students at Reid State:

- Academic Advising
- Career Planning
- Counseling
- Library Services
- Tutoring

Visit [reidstate.edu/dualenrollment](http://reidstate.edu/dualenrollment) or contact Student Services at 251-578-1313 or [studentservices@rstc.edu](mailto:studentservices@rstc.edu) for more information.

## HOW TO APPLY

Apply online at [www.reidstate.edu/dualenrollment](http://www.reidstate.edu/dualenrollment) or click the QR code. Be sure to complete the "Dual Enrollment Application"

## ADMISSION REQUIREMENTS

Your dual enrollment admissions packet is complete when the following items are submitted to Reid State Admissions. Connect with your local guidance counselor for assistance:

- Application for Admission
- Complete Dual Enrollment Counselor and Parent Signature Page
- Enrollment in 10th, 11th or 12th grade
- 2.0 High School GPA
- If in 12th Grade, a Copy of Entrance Exam or ACT Score for an Academic Course

## MORE PROGRAMS

Reid State offers career readiness credentials through a program called Skills for Success to high school students to help fulfill the graduation requirement for a career readiness indicator (CRI). These quick training programs include the following. Call 251-578-1313 or email [dcole@rstc.edu](mailto:dcole@rstc.edu) for more information.:

- CDL
- Fiber Optic Technician
- Electrical Helper
- Forklift Operator
- Mini Bulldozer
- Skid Steer
