Reminders to Parents:

1. We have a new system regarding getting Elementary/High School Announcements. Please see the attachment and follow the directions. You will need to sign up for both elementary and high school announcements.

2. Due to restrictions in the kitchen - all lunches brought to school by a student, must be cold lunches. The microwaves will not be used to heat any student lunches brought from home.

3. If an elementary student brings a cell phone/smartwatch/communication device to school, it must be kept in their backpack the entire day.

4. Whenever we have a late start, breakfast WILL NOT be served.

5. According to Federal guidelines, candy is not allowed in the lunchroom. If your child is bringing lunch from home, please do not include any candy.

6. Please save your Ken's receipts and have your student bring them into the Elementary Office. This is a great program that helps the school with different projects throughout the year. We greatly appreciate your participation
