There will be a special meeting of the New Milford Board of Education beginning at 6:00 PM on the evening of Tuesday, February 22, 2022, for the purpose of conducting student disciplinary hearings. At the February 22, 2022 meeting, a panel of the Board will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the first hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the Board will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board panel may take action when it returns to open session following the first hearing.

Following the conclusion of the first hearing, but as part of the same special meeting, a second hearing will be held regarding a different student. Prior to the commencement of such second hearing, a panel of the Board will move to convene in executive session during which matters concerning the personal privacy of the student who is the subject of the second hearing are likely to be discussed. Should the parents request that the hearing be held in public session, the Board will do so unless it is determined that an open session will implicate the protected confidentiality and personal privacy of other New Milford Public School students. The Board panel may take action when it returns to open session following the second hearing.
