

Hounds Cafe Newsletter

Welcome Back

We couldn't be happier to have the opportunity to serve breakfast and lunch to students every day for the upcoming school year. Over the course of the year, we will be introducing new menu options, gathering feedback, and making other changes to enhance the mealtime experience. We wanted to share a few things you and your child can look forward to when it comes to mealtime and get an inside look at the new recipes, concepts, and programs we'll be introducing this fall.

Food Allergies and Special Dietary Needs

We recognize the critical importance of our approach to supporting students and families who manage food allergy issues every day and work closely with the families of students who have food allergies and medical conditions that require a modification to their menu. If your child requires a meal accommodation, please reach out to your school nurse and a modification plan can be put in place.
