TROY ELEMENTARY

September Shoutouts

Our Trojans have been learning, growing, and showing our TROY Expectations every day!

KINDERGARTEN

Learning, growing & having fun!

Kindergarten has been busy learning their letter names and sounds, identifying features of a book, and discovering how pictures relate to words. In Social Studies, they have been learning about classroom rules and our TROY Expectations. In Math, they are counting forwards and backwards, writing numbers, and identifying numbers 0–10.

In Science, our Kindergarteners have been learning about the needs of animals and plants. They are doing a wonderful job understanding the important things we need to live and grow!

Mrs. Heath is amazed by all the things they are learning and is so proud of them!

LET'S GIVE KINDERGARTEN THEIR VERY FIRST TROJAN CHEER!

FIRST GRADE

What a fun first month!

First Grade has been working hard to practice and demonstrate our T.R.O.Y. Expectations. In Math, students have been learning about place value and comparing numbers. In ELA, they have been blending letter sounds together to make multisyllabic words and enjoying lots of opportunities to read throughout the day.

In Science, students learned about patterns in the sky and how to tell when it is the middle of the day. In Social Studies, they identified the communities they belong to and explored how they feel in those communities.

We are looking forward to all the learning still to come! Mrs. Heath is so proud of you!

COME ON, TROJANS — LET'S GIVE FIRST GRADE A TROJAN CHEER!

SECOND GRADE

Learning, writing & growing!

Second Grade has had a wonderful start to the school year! Students have been learning different ways to write numbers and are now working on adding multi-digit numbers with regrouping.

In ELA, they have been learning about nonfiction text features and the characteristics of stories. They are also busy writing their own exciting tales and personal narratives!

In Science, students are learning about animal habitats. They have also been doing a fantastic job following our TROY Expectations. Ms. Hazeltine is very proud of this class!

LET'S GIVE SECOND GRADE A TROJAN CHEER!

THIRD GRADE

Busy learning in every subject!

Third Grade has been busy and working hard in all subjects! In Math, students have learned addition and subtraction into the thousands, multiplication, division, and even rounding.

In ELA, they have been identifying parts of a story and describing character traits. In Science, they studied the life cycles of mealworms and bean plants and learned how plants work together to survive.

In Social Studies, students created a timeline showing the history of Troy. Third Grade continues to grow and show our TROY Expectations every day! Miss Loy is so proud of all their accomplishments!

WAY TO GO, THIRD GRADE! LET'S HEAR A TROJAN CHEER!

FOURTH GRADE

Big learning is happening!

Fourth Grade has been busy this month! In ELA, students have been learning about the differences between prose, poetry, and drama and are now learning how to identify the theme in those writings.

In Math, they have been working with place value and multiplying large numbers. In Social Studies, students learned about the ancestral lands of the five tribes in Idaho. In Science, they modeled the internal structures of the human body and researched animal senses.

Mrs. Renfrow and Ms. Young are very proud of our Fourth Graders!

THEY DEFINITELY DESERVE AN AWESOME TROJAN CHEER!

FIFTH GRADE

Learning about our country & so much more!

Fifth Grade has been very busy this month! Students are learning to locate and label all 50 states in the United States.

In ELA, they have been learning about characters, setting, and theme and have started working on plot mountains. In Math, students have been learning about decimal place value and rounding and are now working on multiplying multi-digit numbers.

In Science, they are exploring states of matter, properties of matter, and changes to matter. Keep up the great work, Fifth Grade! Mrs. Bohman is very proud of you!

COME ON, TROJANS — LET'S GIVE FIFTH GRADE A TROJAN CHEER!

SIXTH GRADE

Busy, busy, busy!

Sixth Grade has been working hard on all of their standards! They have been learning how to use their new Science workbooks with STEMScopes, and their first book projects are due next week.

Sixth Grade also went on a field trip with Fifth Grade where they learned about trees, the fire triangle, and macroinvertebrates — water bugs! They also enjoyed coming into classrooms to teach about the debug system and working with First Grade during the Playground Roundup.

We are so proud of all the hard work Sixth Grade has been doing!

LET'S HEAR A BIG TROJAN CHEER FOR SIXTH GRADE!

WE ARE PROUD OF OUR TROJANS!

It is hard to believe we are already at the end of our sixth week at Troy Elementary! Let's give one more BIG TROJAN CHEER for all of our students and adults who work so hard every single day!

WAY TO GO

TROY ELEMENTARY!
