When we think about a Trinity Middle School Bulldog, we think of hard working, focused, respectful, kind, and considerate to all students and staff. We think of one who does not always put himself or herself first, and is a problem solver in all areas of the school and athletic career. Jailen Smith is the embodiment of what every student should aspire to be as a TMS Bulldog. He is attentive and respectful to teachers and peers on a daily basis. He is a true student athlete who understands that academics come first, and playing a sport is an added bonus. Jailen gives his all in the classroom and on the football field, where he is a role model for all of our students. We are proud to recognize Jailen Smith as Trinity Middle School's STAR<sup>3</sup> Student for December.

Jacob gave an outstanding speech on how involvement in HOSA and Wheatmore has helped him grow in self-confidence and leadership. The growth Jacob Martin has shown as a student and a leader over his four years at Wheatmore sets him apart, and is the reason he has been chosen as our STAR<sup>3</sup> Student for December.

**Wheatmore Middle School - Kassidy Jackson - 7th Grade**

As educators, we teach many different students with a plethora of personalities and skill sets. While each one is an honor to help mold, it is a real treat when we get a well-balanced, curious learner. This student is always engaged in the lessons taught in class, learning for himself and also helping others master new skills. During more challenging lessons, he is often overheard discussing among his peers the ways to tackle a problem, rather than giving up in frustration. Consequently, he is consistently successful in the classroom and motivates others to be the same. Liked by his peers for his positive approach to life, kindness to all, and great sense of humor, this young man exemplifies what it takes to be a great role model, and for this reason, Wheatmore Middle School is proud to select Kassidy Jackson to be our STAR<sup>3</sup> Student for December.
