CELL PHONE POLICY REMINDER

Dear Parents and Guardians,

We would like to remind families that our cell phone policy requires students to **keep their cell phones put away in their locker and not use them at any time from the moment they enter the school building until after the final bell of the day.**

We understand that there may be times when you need to get an important message to your student during the school day. **The Main Office is happy to deliver messages to students on your behalf.** If your student needs to contact you during the school day, the Main Office can also assist by looking up the phone number they need.

Thank you for your support in helping us maintain a focused learning environment and for partnering with us in following our school's cell phone policy.

IMMUNIZATIONS

ATTENTION PARENTS OF 7TH GRADE STUDENTS:

Michigan law requires that all students be immunized against vaccine preventable diseases to attend Northeast Middle School. When a student enters 7th grade, the immunization requirements change. Please be sure your student is up-to-date.

The deadline for immunizations is November 1, 2026, but appointments with the Health Department become increasingly difficult to secure as the deadline approaches. The typical immunization update requirements for 7th graders include a **booster to Tdap and the meningitis vaccine.**

NOTE: Any parent/guardian who wants to claim a non medical waiver will need to receive education regarding the benefits of vaccination and the risks of disease from a county health department before obtaining the certified nonmedical waiver form through the Local Health Department. The

new rule requires the use of the State of Michigan non medical waiver form dated January 1, 2017.

Student Work Permits

The Michigan Department of Labor and Economic Opportunity is preparing to launch the new [Youth Employment Permit Portal](#), a centralized online system that will modernize the state's youth employment permit process and make it more convenient and accessible for minors, families, and employers. Local school districts and nonpublic schools will no longer issue youth employment permits.

Beginning Oct. 2, employers and minors will use the new portal to complete the youth employment permit process through one statewide system. For additional information and updates, visit Michigan.gov/YouthEmployment
