

Our Vision & Mission:

DVI Vision:

Desert View Bobcats are self-motivated, lifelong learners who strive to be responsible and productive global citizens through creative problem solving and by advocating for themselves and others.

DVI Mission:

We are committed to providing a safe, well-rounded experience that motivates, challenges, and supports all students academically, socially, and emotionally.

AVID's Mission:

AVID's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society.

- Tutorials
- Philosophical Chairs
- Group Activities
- Peer Editing Groups
- Service Learning

Organization

...IS MANAGING MATERIALS AND STUDY HABITS
 ...IS PREPARATION & GOAL SETTING
 ...IS TAKING RESPONSIBILITY FOR ONES OWN LEARNING

Organizational Skills are Important at a Young Age...

Organization is not only the ability to keep things in order, but it is also the ability to keep your thoughts in order to enable us to retrieve information and use it effectively. Kids who have weak organizational skills struggle with handling information in an effective way. They often have difficulty setting priorities, making plans, and sticking to and completing tasks. These skills become increasingly important as your child grows and matures through the grade-levels. AVID helps teach students the importance of organization and planning not just as a child, but as productive global citizens.

A Typical "Bobcat" Day....

- Planners/Calendars are utilized through out the day
- Organizational Tools are expected to be used through out the day (Binders, Pencil Bags)
- Focused Note-taking strategies are utilized by all students (Graphic Organizers/2&3 Column Notes)
- All lessons throughout subjects have an emphasis on WICOR
