December 13th and 14th

Bring money
and a list
if you would like
to shop.

Early Release on December 17th
Christmas Holidays
December 20th-January 4th

Happy
Holidays!

Gifted Education Services Referrals

Gifted Testing will be conducted in February 2022. Students in grades K-5 can be nominated for consideration for testing by the parent or guardian. The deadline for nomination is December 10, 2021. Nomination does not guarantee the student will be tested, however. All available data will be studied for each student in the preliminary selection pool by the school's Gifted Eligibility Team. The team will make the decision to move forward with formal testing or stop the process. For more information, or to nominate a student for consideration, please contact Anna Harris, Gifted Coordinator, at (912) 359-5500 by December 10, 2021. Nominations for testing must be in writing.

Christmas Parties
December 15th

(More info will
be sent by the
teacher)

Word for the month of December: *Compassion*

Students will
return on
January 5th
