

## What Is a School-Parent Compact?

A school-parent compact is a written commitment describing how all members of a school community--parents, teachers, and students--agree to share responsibility for student learning. This compact helps bridge the learning connection between school and home.

### Did You Know?

The parents, students, and staff of Coffee High School developed this School-Parent Compact. A variety of data was used including parent surveys, student feedback during revision meetings, and data from various assessments. Each school year, two meetings are held for parents, teachers, and students to compare the compacts with school data to review our progress and assess our goals.

Parents interested in volunteering or participating at the school can contact the Parent and Family Engagement Coordinator at (912) 389-6594.

## Activities to Build Partnerships

Coffee High School offers ongoing events to provide parents and students with access to our staff.
