Clay . . .

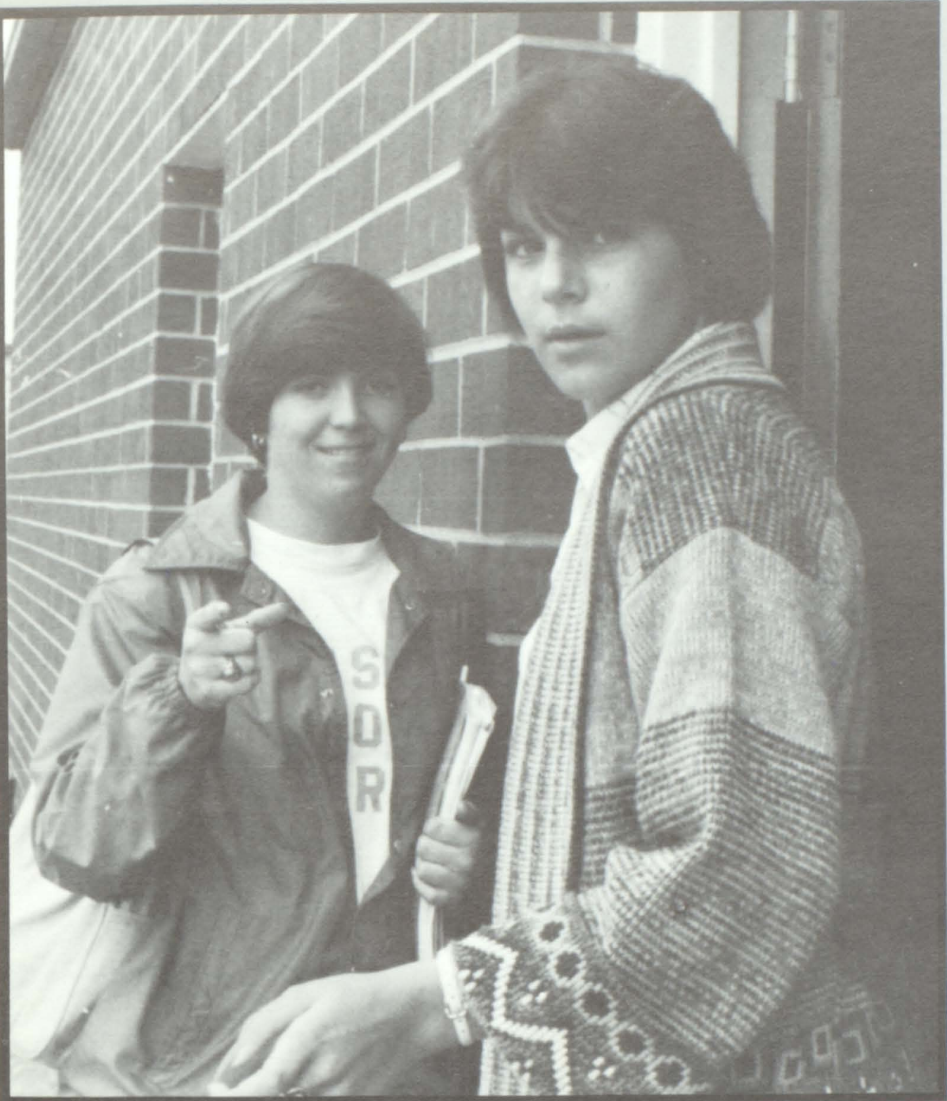

a beginning.

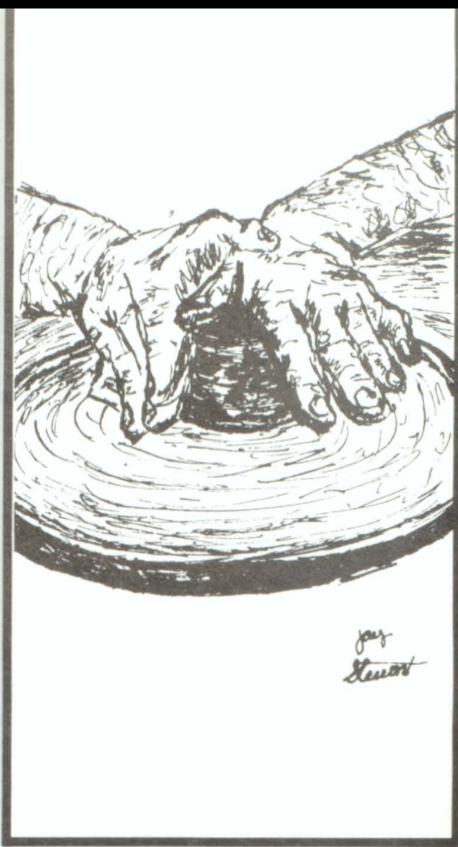

One mass
seeking depth

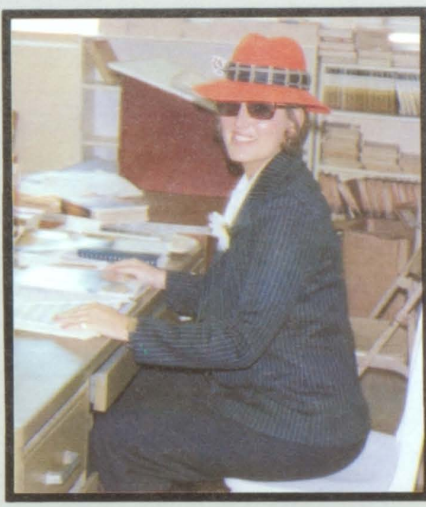

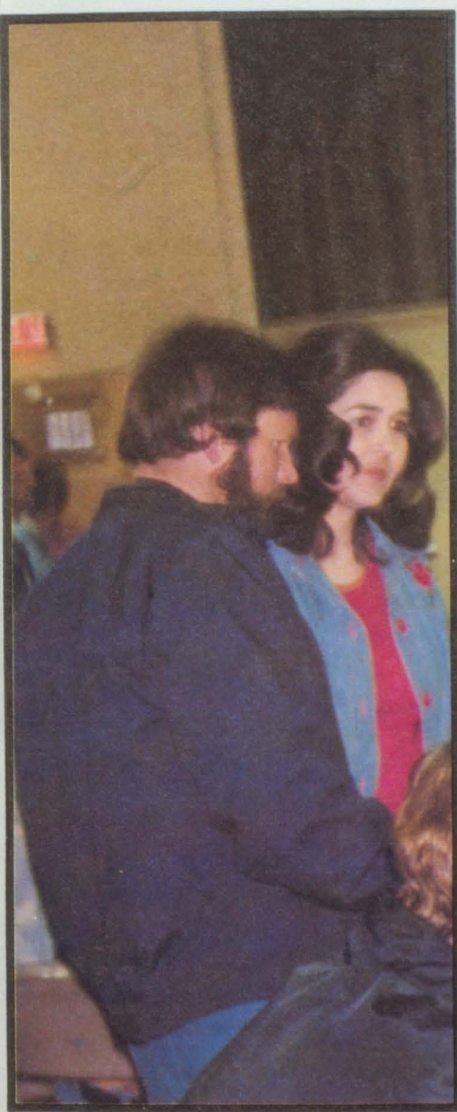

workable and everforming.

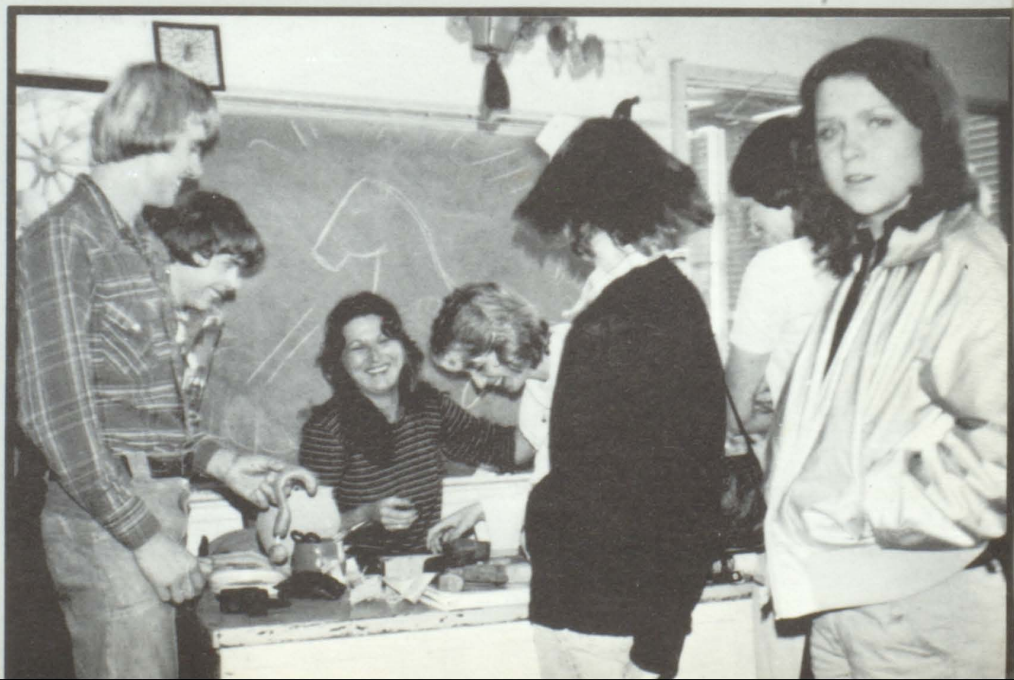

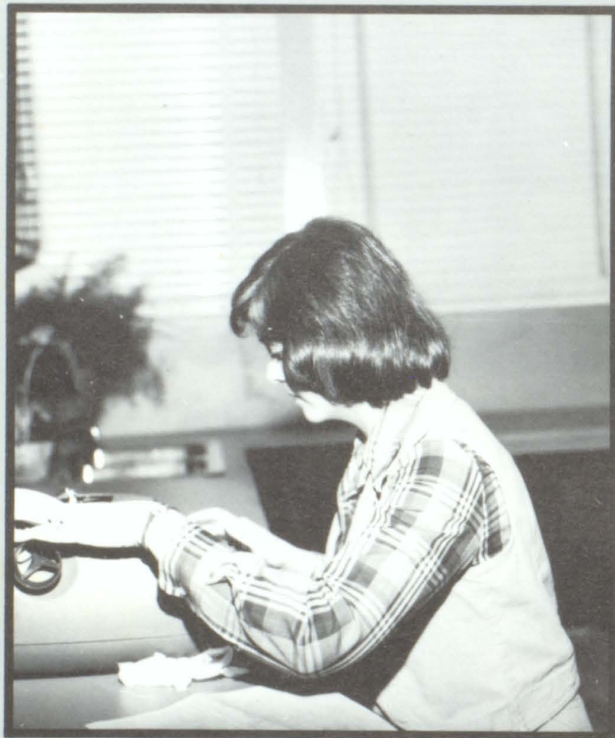

Potter . . .

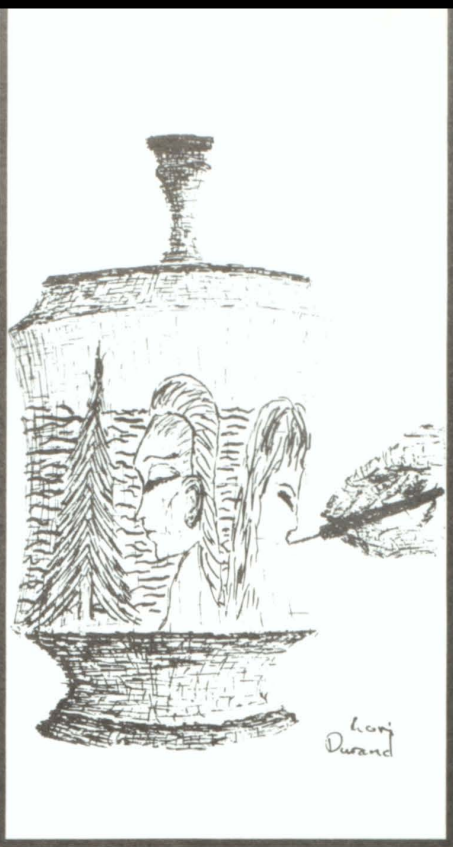

a designer.

Turning and molding

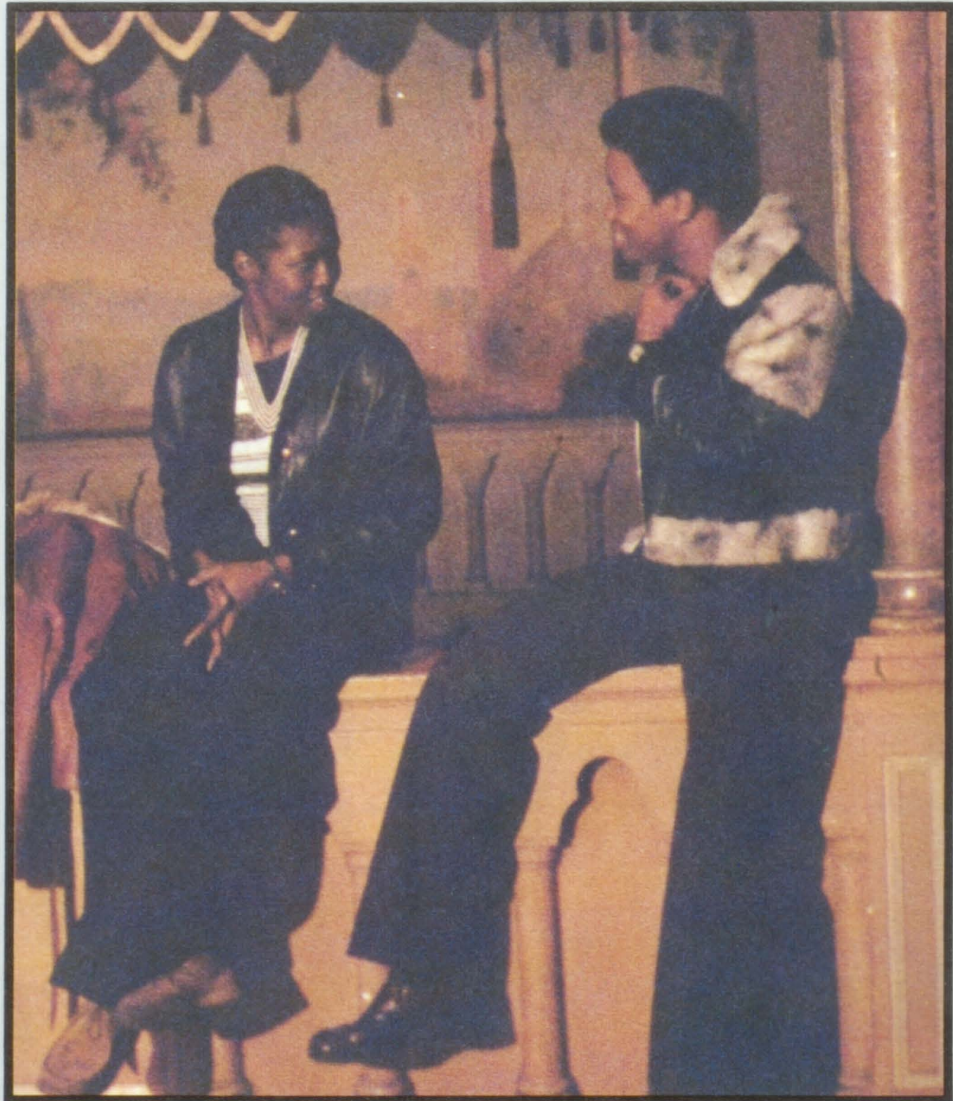

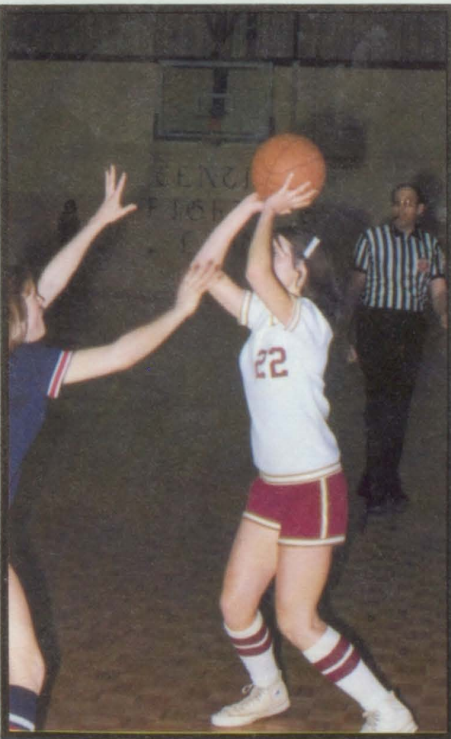

with
skillful
hands.

Media . . .

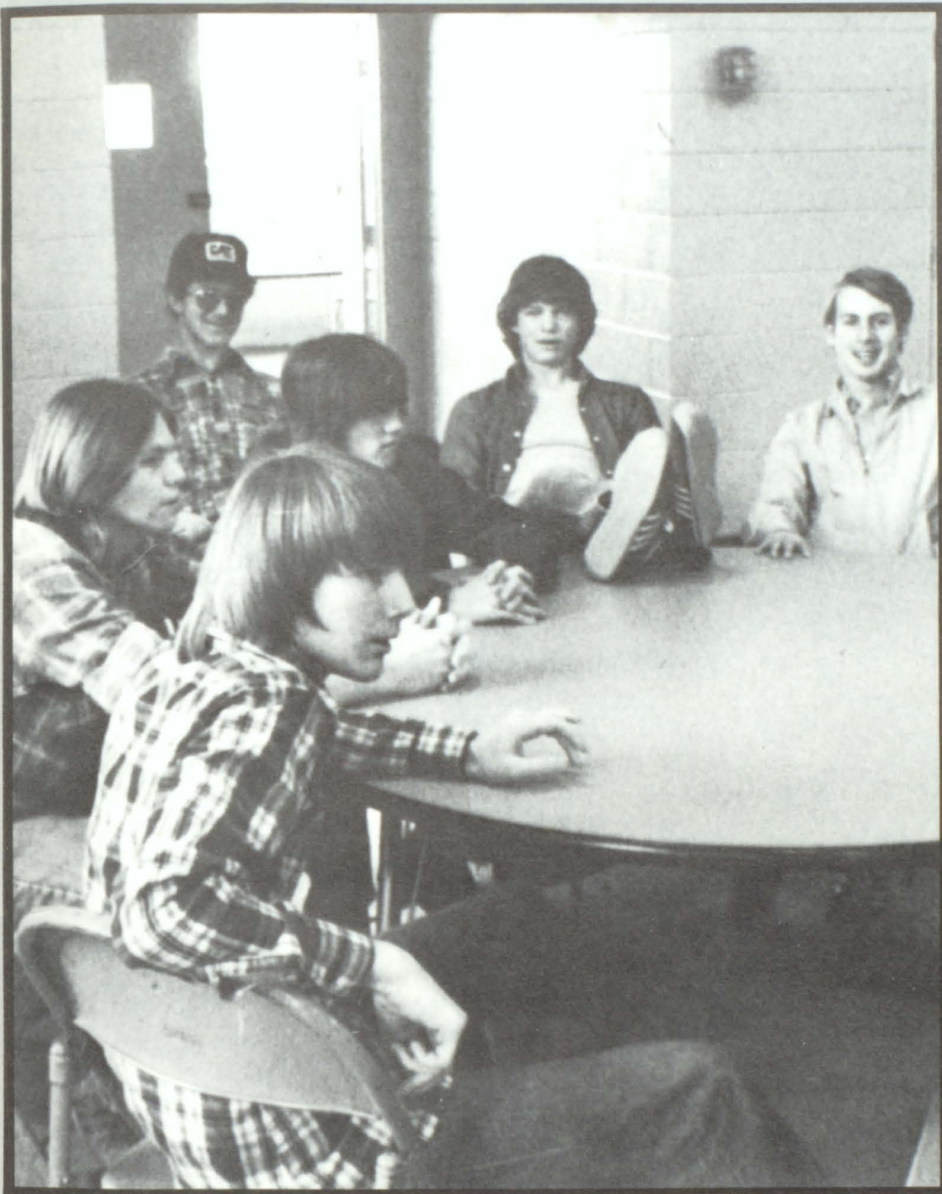

the equipment.

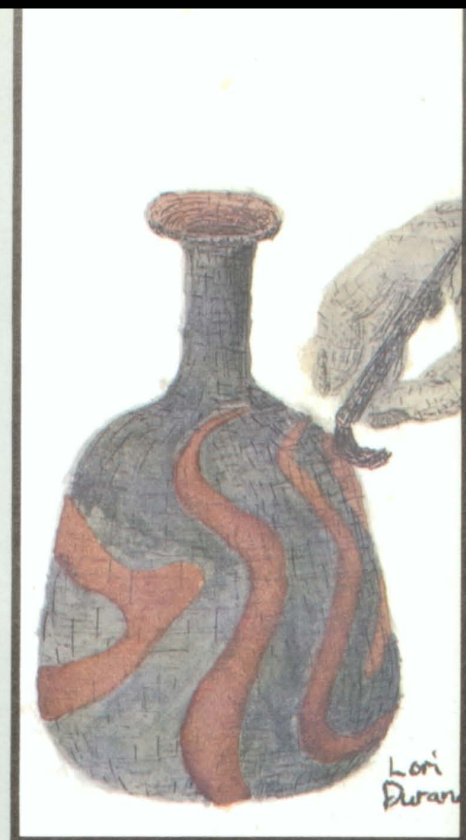

Making impressions
and adding details,

developing personalities.

Glaze . . .

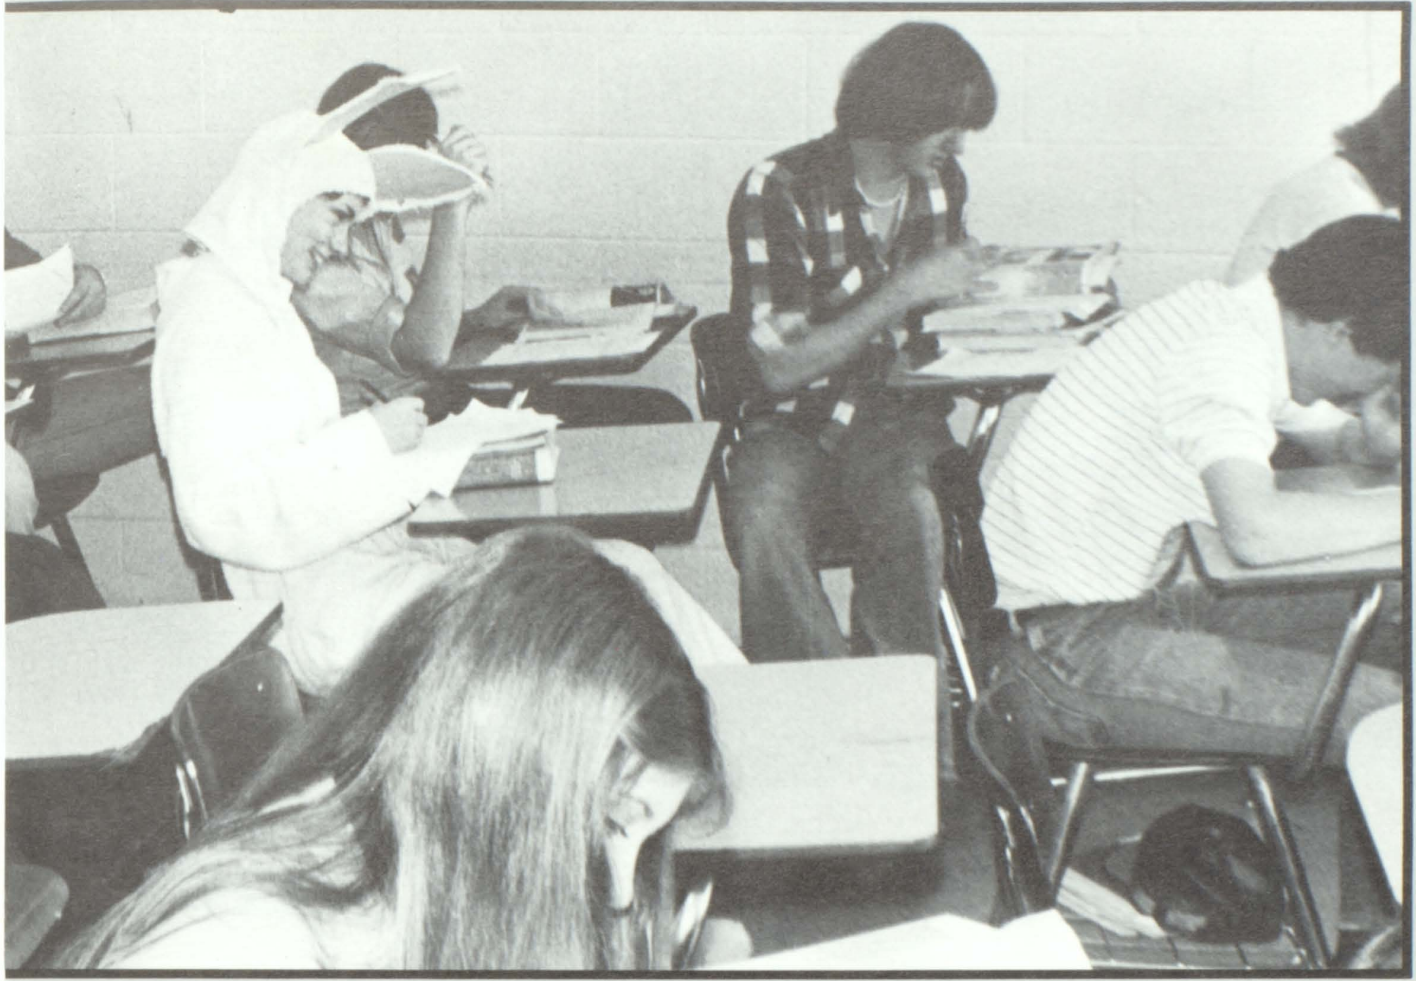

the perfection.

Smoothly
polished

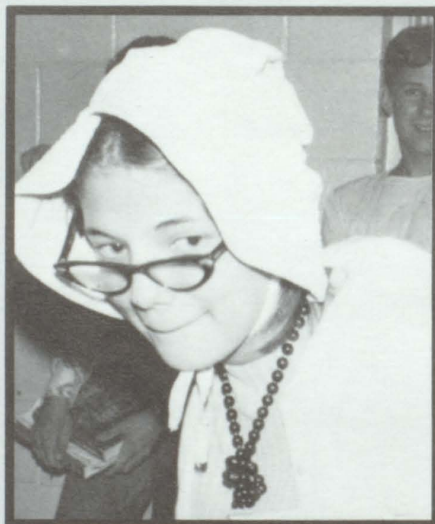

goals.

Clay

Thrown together, pressed, molded, and shaped, the process has begun. Mix work with pleasure and slowly a definite pattern will form. Finally, one unique personality will develop.
