[Carrie Underwood Leads Church Worship with Powerful 'Goodness of God' Rendition](#)

Members of a Nashville-area church in Tennessee received a welcome surprise over the weekend when Grammy-winning singer Carrie Underwood led them in worship. The eight-time Grammy-winning country artist led Rolling Hills Community Church in Franklin, Tenn., in a powerful rendition of Goodness of God, a Dove Award-winning song by Bethel Music that CeCe Winans later covered.

Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen.

[Donald Trump: "God Alone Saved Me"](#)

Donald Trump has acknowledged that it was "God alone" who saved his life. Here's what he posted on his social media a day after he narrowly survived an assassination attempt:

"Thank you to everyone for your thoughts and prayers yesterday, as it was God alone who prevented the unthinkable from happening. We will FEAR NOT, but instead remain resilient in our Faith and Defiant in the face of Wickedness.

Highlights from Letters to Power

Power 88 has been a tremendous blessing to me since I moved to this area. I came to this area to start a new job. My family stayed behind (in northeast Alabama) to complete the school year there, so I was all alone at first, uncertain about the future, and needing some spiritual uplifting. I really love Christian rock and was hoping to find a good station – the only stations I had to listen to in the northeast corner of the state were local Southern Gospel stations (which is OK but not really what I wanted) and the Moody station from Chattanooga (which has a tremendous

teaching and talk ministry but limited music). Birmingham has had some good Christian Contemporary stations but Birmingham stations do not quite reach to where I lived.

While driving to start my new job, I happened to notice the Power 88 billboard. I figured it was a Christian station since it featured a cross, so I turned the radio on and searched. When I found it, I was hooked right away. Your blend of contemporary praise & worship plus some of the “harder” music is perfect for me. You really helped me through the period when I was alone and needed to keep in mind that God had a purpose in my relocation.

My family used to listen to Country music at home, now Power 88 is the only station you will hear at our house. We are all excited to hear you. Keep up the great work and may God bless your ministry.

Supporting Christian Radio

If Christian radio has made a difference in your life and you do not have a means of helping support the station financially, there are 2 other important things you can do:

1. Keep us in your prayers that God will use this radio ministry for His glory 24/7.
2. Support a business that underwrites. Thank them for their donation to help support local Christian radio and use their services when possible.
