- AEDs- - - Andrea Brown
 - Still have not received any of the AEDs
 - We have only received 1 waterproof case out of the entire order
 - Our vendor notified me that we may not receive them until the end of the school year due to issues with the FDA and customs.
 - Will have new and uniformed AEDs throughout the district for a total of 17. We still have 1 at the elementary that is still pretty new and will replace it at a later date

- Narcan- - - Andrea
 - Drew's 27 Chain will donate 6, 2 pack boxes of naloxone nasal mist sprays and provide training in August for staff

- LifeVac Anti Choking device:
 - Ordered 5 of the 4 pack kits for a price break of \$989.27(almost \$300 savings)
 - Distributed these throughout the district all places in which we have AEDs

- 180 Degree Education:
 - Secondary counselors would like to use the 180 degree curriculum from Denton for Teen Dating Violence education.
 - They have talked to other districts who have used them and are pleased with their presentation.
 - The cost will only be to pay for travel expenses
 - Brett Case with 180 degrees presented an overview of the program
 - 180 degrees program will be presented to the school board on Monday for consideration

- Next Meeting will be next school year tentatively during month of September of 2023
