

# SPS Pooled Testing Parent Forum

October 26 & November 4, 2021

at 6:00PM (DST)

Join our school administrators as they share more information of classroom Pooled Testing to help prevent the spread of COVID-19 in our school. The Covid-19 Pooled Testing program helps enable Arizona schools to safeguard the health and wellbeing of teachers, students, and their community. Parents are encouraged to ask any questions. Please join us Via Zoom or by Phone.

## Pooled testing enables testing “every student, every week”

All participants in a classroom swab their noses with short swabs.

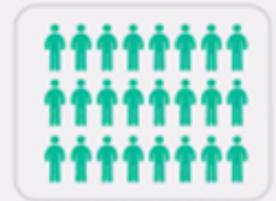

Every swab is dropped into one tube (“pooling” step). This pool is then run as a single test.

Only positive pools result in further action.

STEP 1

### Self Swab

5-25 students (and teachers!) in a class self-swab and drop their swabs into a single tube.

STEP 2

### Test the Pool

That tube is then run using one test, and the classroom is provided with one result.

STEP 3

### Get Results

Only positive pools result in next steps, which vary by school.

POOL #0001

Test Result:

**Negative**

If you would like more information or have any questions please contact our front office at (928)672-3500.
