

# October

First Grade  
21st-25th

## This Week's Brain Boosters

### Monday

Pumpkin Scales-  
Do you remember  
which one  
weighed more?

### Tuesday

What animal did  
your science  
group create?  
What is its  
defense?

### Wednesday

List all of  
the parts of  
a pumpkin.

### Thursday

What in the  
world is a TP  
Pumpkin? Share  
the secret!

### Friday

No School

## ~Reminders~

~Library books are due every  
Thursday.

~Remember to read and fill  
out those reading logs!  
Due Thursday, October 31st.

~Please send warm jackets!

## ~Events~

Parent and Teacher  
Conferences- 23rd & 24th

Harvest party- October  
31st at 12:30. Our class color  
is black with orange accent.  
We have plates, napkins, and  
a healthy snack already  
spoken for.

## ~Learning Targets~

**EL Module Content~** We will finish writing our  
descriptions of our Magnificent Things. We will also  
be creating our own creations, all of which will be  
on display in the Magnificent Museum.

**Math in Context~** We will spend some time  
comparing weights of pumpkins, graphing findings,  
and reviewing the lifecycle and parts of a pumpkin.  
As well as continuing with  $\pm$  strategies within 10.
