Dear ESE Director,

Your district's ESE P&P has been pre-approved by the Bureau of Exceptional Education and Student Services (BEESS) at FDOE. Please navigate to GSW to download the signature page and present to your superintendent for their signature. Once the document is signed, please upload it to GSW, and BEESS will upload your district's Approval letter to GSW and send you an ESE P&P Approved email.

Once completed, the district will have completed all ESE P&P procedures and no further action will be required. Thank you for your diligence and commitment with completing your district's ESE P&Ps in a timely manner.

Sincerely,
Samantha Donnell
Bureau liaison of ESE P&Ps
