

Amite County School District

Strategic Action Plan

2024-2025

Goal 1: Continued Academic Progress

Measurable Indicators:

- ❖ Continue to increase or maintain district/school performance scores.
- ❖ Continue to increase district proficiency and or growth in MAAP scores.
- ❖ Continue to increase ACT composite scores.

Strategies:

1. Instructional coaches (ELA and Math) will work independently with all teachers to:
 - a. Understand and use Benchmark and STAR data.
 - b. Use correct pacing of the curriculum to meet the students needs.
 - c. Plan and design appropriate lessons.
 - d. Remediate and provide appropriate remedial materials.
 - e. Utilize different teaching strategies and techniques.
 - f. Observe and model teach weekly.
2. Remedial support will be developed and individualized depending on students' needs.
3. Instruction will be monitored daily by administration and instructional coaches.
4. Will continue to utilize ACT Mastery Prep and Jumpstart to improve student scores.

Goal 2: Continue to Improve Facilities

Measurable Indicators:

- ❖ Complete elementary scope of work.
- ❖ Complete district fencing project.
- ❖ Complete ACHS plumbing project.
- ❖ Continue to repair ongoing issues.

Strategies:

1. Monitor all work on projects.
2. Attend monthly OAC meetings and open communication.
3. Work with maintenance director to repair issues found throughout the year.
