11. Consistency between municipal boundaries and high school boundaries
12. Other factors

Students residing in a community facilities district shall have priority, to the extent provided by law, for attendance at schools financed in whole or in part by the community facilities district. The degree of priority must reflect the proportion of each school's financing provided through the community facilities district. (Government Code 53312.7)

In order to alleviate overcrowding, the Superintendent or designee may place some students in a school outside of their attendance area. Parents/guardians of students who are attending schools outside of their attendance area shall be notified of the school their child will be attending as soon as possible. If available, transportation shall be provided for such students.
