Mission Statement

The mission of Deerfield Elementary School is to Build Understanding, Caring, and Knowledgeable Students.

Deerfield Elementary School

Dear Parent/Guardians:

Welcome to a new school year and a special welcome to all students and families that are new to the Deerfield Elementary School Community. A new school year is a time of excitement and nervous anticipation for students, parents, teachers and all school staff. My name is Lia Parsley, I am the principal of Deerfield Elementary School. I am excited to be your principal, and I will work hard to ensure that Deerfield continues to provide a warm, caring, and safe learning environment for our students. I am very excited to begin the 2024/2025 school year, and I anticipate that we will have a great year for our students.

The faculty, staff, and I believe all children can and want to learn, all children can attain success, and schools control the conditions that lead to successful learning. We will work hard to attain our mission to **B**uild **U**nderstanding, **C**aring, and **K**nowledgeable **S**tudents. To make this a reality we spend countless hours in planning, training, and preparing. However, it takes parents and teachers working together to provide the best education for our students. I encourage you to be active in this learning process by monitoring your child's progress, volunteering, and attending school functions.

I ask that you carefully read the Deerfield Student Handbook. You will find answers for many questions that you might have. I encourage you to call the school at any time if you have a question or concern. I look forward to this exciting year, and I hope to see you often at Deerfield Elementary School.

Thank You,

Lia Parsley
Principal

2024/2025 Student Handbook

Student Placement

Much time has been spent on balancing classes in K-5 to accommodate student needs. Please do not ask for changes. We have an excellent, highly qualified staff, and your child will receive a quality education in any classroom at Deerfield Elementary.

Student Attendance

Students are expected to be in school every day, all day long, and on time. Good attendance is very beneficial to your child's educational well-being. **The school day starts at 7:50am and ends at 2:50pm.** Students arriving late or leaving early must be **checked in/out by a parent or guardian** through the Main Office. Students who arrive after 7:50 are counted as tardy.

When students are absent, we request parents call the school. When the child returns to school, parents are required to send a note to the teacher stating the reason for the absence in order for the absence to be excused. When a student is absent, if we do not receive a parent phone call, the teacher or school counselor will call to check on the student. **Only 5 days per YEAR may be excused with a parent note;** all other absences will require a doctor's excuse. The building attendance coordinator will meet with the parent in person or by phone conference before the truancy board. For excessive absences parents will be contacted by letter requiring a parent response and possible appearance before the truancy board. This enables us to be in compliance with the state mandated attendance policy.

Student Drop-Off/ Student Pick-Up

Staff members are at school each morning to monitor students beginning at 7:00 a.m. **No student is to be dropped off before 7:00 a.m.** Students are to be dropped off at the **front** entrance of the school between 7:00 a.m. and 7:50 a.m. **After 7:50, you will need to come inside with your child and sign him or her in for the day in the office.**

Car riders must be picked up in the afternoon **in the car rider line** at the back of the building beginning at 2:50. Parents should wait in their cars for students to be brought to them. Please note that the teacher in charge will not let a child leave until they are certain that the child is leaving with the correct adult. Each car rider will be provided with 2 car tags. This tag must be in the front window of the vehicle in order to pick up the child. If this tag is not present, identification with a picture ID will be required. The student will be released once the office verifies the person is authorized to pick up the student. If there is any uncertainty, you will be asked to come to the office for identification purposes. Although this may be an inconvenience it is for the safety of your child. After identification has been verified, the child will be called to the office for pick-up. This procedure allows us to better account for our student's safety.

If your child is normally a bus rider and they will be a car rider for the day, we need **written notification**. Please send a note and let your child's teacher know that morning.

The bus loading area should stay free of automobiles for morning drop off and afternoon pick-up. Your cooperation is greatly appreciated. If your child is normally a car rider and is riding a bus, or going home with another student, **written notification** is required. This procedure confirms that the bus driver knows where the child is to be taken on their route. The parent/guardian and the principal must sign all notes. The principal may require the secretary to call the parent/guardian to verify any note regarding a change in how a student is to go home. . The secretary will keep a copy of all notes regarding student transportation.

Anyone who has permission to pick up your child **must** be listed on the **Emergency Contact List in Synergy's ParentVUE**. We will not release a child to anyone other than those listed. If a person not listed on the emergency contact list arrives to pick up a student, the person will be required to go to the front office. The secretary will call the parent or guardian and further security procedures will be taken. In the event of an illness or accident occurring during the school day, the parent/guardian will be notified by phone. **It is imperative that parents/guardians maintain updated records of emergency phone numbers in the school office.**

Early Dismissal and School Cancellation

In the event school is dismissed early or canceled for bad weather or otherwise, it will be announced on radio station WMSR , 101.5 FM Manchester, Nashville TV channels 2, 4, and 5, and a Remind message will be sent.

Student Academics

Parent Teacher Conferences facilitate a sharing of information and feedback for mutual understanding and educational planning between the home and the school. Conferences between parents and teachers are encouraged and welcomed. Because we value instructional time, these conferences will need to be scheduled in advance. There will be a fall Parent Teacher Conference scheduled each year. A letter will be sent to notify parents of the date and time for the conference.

Parents are encouraged to initiate a conference with the teacher or principal anytime during the school year in the best interest for the student. Please check with the school secretary to set up a date and time.

One of the most important functions as a school is to report student progress in a timely fashion. Parents are encouraged to keep in regular contact with the classroom teacher in order to stay informed of their child's progress. Teachers will send home student progress half way through each nine-week grading period with a progress report.

Report Cards will be given out at the end of each nine week period. The grades on report cards reflect the progress the student is making. Kindergarten through second grade will have a skills checklist type report card. Third through fifth grades will use the grading scale that is on each report card.

Each parent will have a username and password for ParentVUE, our online grading system through Synergy. You will be able to see grades as well as attendance once logged in. I encourage you to use this frequently to monitor your child's progress. Any questions can be directed to your child's classroom teacher.

Student academic growth and success will be recognized throughout the school year in various formats and an awards day will be held the last week of school. If your child is receiving an award at any time you will be contacted so you can be present.

Access to School Records

It is the policy of Coffee County Schools to permit disclosure of a given student's records upon request in writing or in person by the parent or guardian who has legal custody of that student. No other person outside of school personnel is authorized to view student records.

School Safety and Security

Deerfield Elementary has a crisis plan to follow in case of an emergency situation or natural disaster. Throughout the year, drills will be conducted so that staff and students know what to do in case of an emergency or natural disaster. Should we have to evacuate the building to another location, any adult picking up a child will be expected to show a picture ID before a child will be released. No student will be released until given the clearance to do so by administration.

To better assist you and for the security of our students, all parents and visitors to our school must use the front entrance, sign in at the office, and receive a Visitor's Pass. Student Safety is a high priority of all school personnel.

Parents are encouraged to visit with teachers; however, to protect instructional time, we ask that these visits be by appointment and be during their planning time or after 3:15 p.m.

Parents /guardians are not permitted to go to the classroom to take or pick up their child. This is to protect the privacy rights of other children. Please wait in the office and your child will be called to the office. If you plan to check your child out early, please give the secretary a phone call. We will have your child ready to be signed out. A sign-in/ sign-out sheet in the office must be signed by a parent or guardian when a student is late in the morning or leaves early during school hours.

Weapons

Our board policy prohibits bringing weapons of any kind into our school building or onto school property including on the bus. This includes weapons brought to school by parents, students, and guest speakers. Firearms of any variety are weapons and so are knives (including pocket knives) and martial arts weapons. Students may not bring toy weapons to school at any time.

Items Not Permitted

Toys, electronic devices, audio players, nicotine. Only water in the original container is allowed. No energy drinks , gatorade, or soda of any kin is allowed.

Bartering or selling any item for profit by students for their own benefit is not permitted.

**Per state law, students or parents may not sell any items during school hours; this would include for example, girl scout cookies, etc. This would have to occur 30 minutes before school begins or 30 minutes after school ends.

Deerfield Elementary Citizenship Policy

The faculty and staff at Deerfield Elementary School are proud of our learning atmosphere. This year we want to recognize our students for positive behavior. To continue the tradition of our positive school atmosphere we have implemented the following citizenship program. We ask you as a parent/guardian to support us by encouraging positive behavior both at school and at home. If you have a concern about your child's citizenship grade, please notify the school. An appointment can be made with the teacher and the principal.

We believe all students can behave appropriately while at school and in class. All students' grades Kindergarten through 5th will be given a positive citizenship grade on their report card. Students will begin each 9 weeks with 100 points. Each time a student chooses to break a rule, the appropriate number of points will be deducted from 100 points. Points left at the end of the 9 weeks will be reported on your child's Report Card. This grade will apply to the honor roll the same as any other grade. Each nine-week period, students who have a citizenship grade of 98 or more will be placed on the citizenship roll and will be recognized at the Academic Pep Rally each quarter. **Any student grade K-5 with a citizenship grade below an 80 in the previous nine weeks or the current nine-week period may not be permitted to participate in school events or academic field trips during that nine-week period. Principal's discretion will also be a deciding factor on a case by case basis.**

It is important that we work together to ensure a positive educational atmosphere. Our faculty and staff are committed to providing a safe, orderly environment that is conducive to learning and where students feel safe. We have developed a plan to handle discipline and inappropriate behavior in a fair and timely manner. The following rules of discipline and consequences for inappropriate behavior at Deerfield Elementary have been established for the protection of all students. Students are expected to respect these rules and the people responsible for carrying them out. The teachers and staff need the support of all parents/guardians in promoting positive behavior and in helping our students learn to be responsible for his/her own actions. Please read and go over the following pages with your child/children.

Health Services

Every child entering school for the first time should have a complete medical examination. No child will be allowed to school without proof of necessary immunization

Exemptions will be granted to any child whose parent or guardian shall file with school authorities a signed, written statement that such measures conflict with his/her religious tenets and practices; or due to medical reasons if such child has a written statement from his/her doctor excusing him from such immunization. Proof of exemptions will be in writing and filed in the same manner as other immunization records.

No medications, prescriptions or non-prescriptions, will be administered in school without a note from the parent and the physician detailing specific dosage and frequency. Any medication that is to be given should be brought in its container by the parent or guardian labeled with the student's name, doctor's name, medicine name, dosage and frequency. Please inform us of any changes in your child's health status so that records can be maintained accurately and kept current. Please read, sign, and return all medical policies sent home.

Good health is very important for a healthy and successful year at school. Your child should stay home if there are any signs of illness at night or in the morning before school. Your child should be free of fever for 24 hours without fever reducing medication before being sent back to school. The school should be notified if your child has a contagious disease and must stay at home until the doctor says it is okay to return. All children are expected to participate in activities at recess and gym time unless they have a signed excuse from their parent.

FREE APPROPRIATE EDUCATION POLICY

*Homeless Children & Youth Have the Right
to a Free, Appropriate Public Education*

Notification of Rights under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

The right to inspect and review the student's education records within 45 days after the day the Coffee County School System receives a request for access.

Parents or eligible students should submit to the school principal [or appropriate school official] a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the Coffee County School System to amend a record should write the school principal [or appropriate school official], clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the school discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request.]

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the Coffee County School System to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

Parent/Guardian Acknowledgement and Permission

As a parent or legal guardian of the above student, I understand that the Coffee County School System provides my student with internet access and access to digital resources. I understand that CCSS has implemented technology protection measures including filtering and monitoring to prevent students from accessing inappropriate materials on the Internet, but that such measures may not be one hundred percent effective at all times and it is impossible to restrict access to all controversial content. With this understanding I grant permission for my student to access the Internet. I also understand that CCSS provides my student with robust digital resources for classroom instruction that have been found to meet the Federal Trade Commissions' (FTC) regulations in regard to the Child Online Privacy Protection Act (COPPA). Some of these resources may require student login credentials, which I authorize at the teacher's discretion. A list of district-approved websites can be found at the district's website at www.coffeecountyschools.com under the COPPA heading. I understand that the CCSS RUP restrictions and guidelines are necessary component in protecting my child from exposure to inappropriate materials and from participating in inappropriate activities. I understand that any violation of this policy may result in disciplinary action and the removal of computer access privilege for my student.
