GRADE 3 MONTHLY FORECAST

September 2025

Science

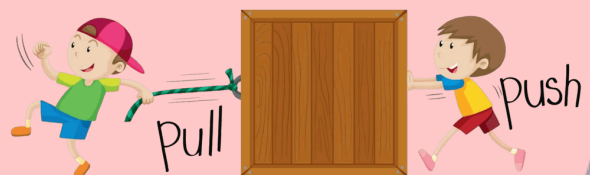

Forces Around Us (continuation)

In this unit, I will:

- consider how the different types of forces can cause different types of motion.
- design a skatepark as my STEM module project.

Inspire Science
Pages 21- 45

ELA

HMH Module 1– What a Character! (continuation)

Reading 2: Judy Moody, Mood Martian/ Stink and the Freaky Frog Freakout

Reading 3: Scaredy Squirrel

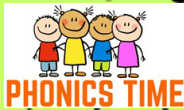

In this topic, I will listen to, read and retell stories. I will learn to:

- enjoy, discuss and share opinions of stories.
- find and discuss new words.
- answer comprehension questions - what, why, where, how, when

GRAMMAR

I will be learning the following topics:

- **Sentence Fragments**
- **Common and Proper Nouns**
- **Simple and Compound Sentences**

In **phonics**, I will be applying knowledge of **segmenting syllables** efficiently in **reading** and **spelling** and will be focusing more on the short and long vowel sounds.

SPELLING

I will be assessed in spelling on the:

5th September: 'VCe' Spellings

12th September: More **Long a** and **Long e** Spellings

19th September: More **Long o** Spellings

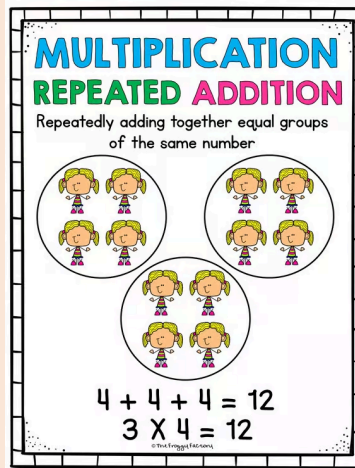

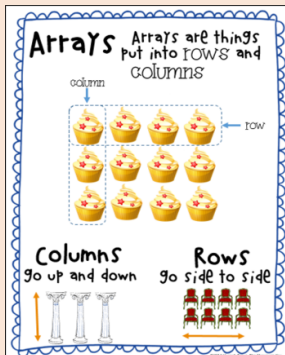

26th September: More **Long i** Spellings

HMH
Pages 36-99
Grammar Workbook
Pages 3-5; 31-45

Math

In this month:

- I will continue to learn on how to represent and solve multiplication problems through the context of picture and bar graphs that represent categorical data.

IM MATH

Pages 47-102

Social Studies

In this chapter, I will:

- read about the features that make these communities special.
- also learn about about the ways these features affect how people live, work and play.
- be taught on how to locate places using maps.

Our Communities

Pages 8-48
