

# 2nd grade

# Newsletter

The Week of October 14<sup>th</sup>, 2024

## Upcoming Dates

10/23 & 10/24 - Parent/Teacher Conferences  
(If you've signed up for a day and time, you will get a confirmation note today. If not, a new sign-up form will be sent home instead.)  
10/25 - Teacher In-Service  
10/31 - Fall Celebration (more information on the flyer in your Monday folder)

## A Note To You

Hello Families,  
If you have not signed up for a day and time for conferences, please take a look at the new sign-up sheet in your Monday folder today. This will have updated availability. If you have any questions about this, you can reach out to me, and I would be happy to help!  
Have a great week,  
Mrs. Summerfield

## Practice At Home

- ❖ UFLI at home practice will guide you through the spelling pattern we are learning in class. Practice, practice, practice! These spelling patterns come and go quickly!
- ❖ Read 20 minutes each night and document it on your October reading log. These will be due at the end of the month.
- ❖ Math Practice sheets will reflect what we have been learning in class so that you can do a little more at home.

## This Week's Agenda

**Spelling:** the long /o/ sound with oa, ow, and oe  
**Oa:** is at the beginning or in the middle of a word  
**Ow:** is used at the end of a syllable. It can go in the beginning or middle of a syllable if it is followed by 'l' or 'n'  
**Oe:** is used at the end of words, but it is an uncommon spelling  
**Reading:** We will continue to write to compare our school to other schools around the world. We are turning our notes from last week into a paragraph before we make edits and revisions.  
**Math:** We will begin learning strategies to add two-digit numbers.  
**Science:** We will investigate and discover how seeds move.
