What do you love about your school?

I love our family atmosphere. Warrior Country is such a special and unique place. Our excellent climate prepares our students for success in high school.

What do you love most about being a principal?

I absolutely love being the Warrior Chief! I am surrounded by the best students and teachers, who are united in giving their best effort each day and being a caring and understanding family member to every person here.

Tell us about the person who inspired you to become a leader.

My parents inspired me to become a leader, each in their own way. My love for education and taking good care of students and teachers came from my mother, a long-time school principal. My attention to detail and organizational skills came from my father, a long-time Chief Financial Officer at a hospital.

Fun Fact
