

## NEWS & FEATURES

### Future Site of MHS Located at Dixelta and Crozier

### Student Conduct

Positive behaviors following student conduct expectations as outline in our district policy found the in Parent/Student Handbook are necessary to promote a positive and safe learning environment. To that end, please take time to discuss with your student the negative impact bullying and harassment behaviors have on others and their school environment, as well as potential consequences which may range from conferences and detentions to suspensions and expulsions, along with reports to law enforcement. Please discuss with your student appropriate strategies to resolve conflict with others. As always, MHS administration is here to assist all students.
