Fire Prevention Week was this week. Pre K - 5th learned about fire safety and explored the fire trucks.

On Wednesday, 1st - 4th Grade and the Middle School Band got to attend the LaPorte Symphony Orchestra's Childrens Concert. The LSO performed several songs including Star Wars and Mario Brothers. It was an interactive performance with games. Fourth Grader, Evelyn Mayo even got to go on stage and conduct the Orchestra.

The 6th Grade class took a field trip to Valparaiso University. They met with astronomy and physics professor, Todd Hillwig. Professor Hillwig talked about constellations and the class saw a presentation in the planetarium.
