Highlights from Letters to Power

- It is always a pleasure to be able to give to an organization that brings God's love & encouragement to so many through their amazing music! Thanks be to our awesome GOD for these devoted people.
- 5 years ago I found the Lord while listening to "This is the day" by Phil Wickham (Power 88). I was going through a rough time in my life and that song came on and I could feel the Holy Spirit wash over me. If it wasn't for your station being on the air that might not have happened. So it is I that owes you a debt of gratitude. Thank you very much for being here.
